i. Report #22/11/13/1101 – Resolution of Support - County of Peterborough – Long Term Energy Plan Review

Resolution # 22/11/13/006

Moved by Councillor Grills and Seconded by Councillor Gibson

WHEREAS according to the resolution of the County of Peterborough, the Ontario Auditor General's Report of 2011 contains the following comment in the Summary:

“Because the ministerial directions were quite specific about what was to be done both the Ministry and the OPA directed their energies to implementing the Minister's requested actions as quickly as possible. As a result, no comprehensive business case evaluation was done to objectively evaluate the impacts of the billion-dollar commitment. Such an evaluation would typically include assessing the prospective economic and environmental effects of such a massive investment in renewable energy on future electricity prices, direct and indirect job creation or losses, greenhouse gas emissions, and other variables”;

AND WHEREAS the Council of the United Townships of Head, Clara & Maria does hereby agree that this along with other factors justifies a reconsideration of the *Green Energy and Green Economy Act* before the Long Term Energy Plan Review is completed;

NOW THEREFORE BE IT RESOLVED THAT Council supports the resolution of the County of Peterborough and requests that the Premier and the Minister of Energy offer no further FIT contracts until a comprehensive business case and evaluation has been completed.

ii. Report #22/11/13/1102 – Renovation Update – Information only

iii. Report #22/11/13/1202 – Res of Support – AMO – FCM's Plan - Canada's Housing Crunch

Resolution # 22/11/13/007

Moved by Councillor Gibson and Seconded by Councillor Grills

WHEREAS, a stable and secure housing system that creates and maintains jobs and allows for a range of living options is essential to attracting new workers, meeting the needs of young families and supporting seniors and our most vulnerable citizens;

AND WHEREAS the high cost of housing is the most urgent financial issue facing Canadians with one in four people paying more than they can afford for housing, and mortgage debt held by Canadians now standing at just over \$1.1 trillion;

AND WHEREAS housing costs and, as the Bank of Canada notes, household debt, are undermining Canadians' personal financial security, while putting our national economy at risk;

AND WHEREAS those who cannot afford to purchase a home rely on the short supply of rental units, which is driving up rental costs and making it hard to house workers in regions experiencing strong economic activity;

AND WHEREAS an inadequate supply of subsidized housing for those in need is pushing some of the most vulnerable Canadians on to the street, while \$1.7 billion annually in federal investments in social housing have begun to expire;

AND WHEREAS the stakes are especially high for Ontario's municipal governments as housing responsibilities have already been downloaded (unlike other provinces and territories) and this is not sustainable on the property tax base;

AND WHEREAS, the Federation of Canadian Municipalities (FCM) has launched a housing campaign, "Fixing Canada's Housing Crunch," calling on the federal government to increase housing options for Canadians and to work with all orders of government to develop a long-term plan for Canada's housing future;

AND WHEREAS FCM has asked its member municipalities to pass a council resolution supporting the campaign;

THEREFORE BE IT RESOLVED that council endorses the FCM housing campaign and urges the Minister of Employment and Social Development to develop a long-term plan for housing that puts core investments on solid ground, increases predictability, protects Canadians from the planned expiry of \$1.7 billion in social housing agreements and ensures a healthy stock of affordable rental housing for Canadians;

AND BE IT FURTHER RESOLVED that a copy of this resolution be sent to the minister noted above, to Ontario's Minister of Municipal Affairs and Housing, to Cheryl Gallant, MP, to the Federation of Canadian Municipalities and to the Association of Municipalities of Ontario.
