

# Road Report #20/05/11 / 802

## WORK TO BE DONE IN MAY TILL FALL OF 2011

Take done all signs and road closures sign .

Clean up all the turnarounds in the township,like raking,and picking up the garbage that people throw away when unloading and loading trailers in the winter time.

Cut up tree that fell over at Mackey Park ,pickup brush, weekly checks on play ground equipment and clean buildings and stain building has to buy stain and brushes.

Have to put the fence back up on Francouer rd by farm.

Have to fix washouts on the mackey creek rd due to the beavers filling in culverts in late fall,by hauling gravel from twp. Pit in Mackey.Plus fix the major one on Kenny rd where the rd is gone due to the same reason will have to haul gravel from the twp pit.

Have to run generators once a month at garage& hall.

Have to haul top soil to fill in septic tank line and water line running from hall plus haul top soil to park to fill in holes made from equipment.

Get Pat for one day to run with a gravel for resurfings .

Have to call for locate and hand dig wires before put in ditch on Boudreaus rd.

Meet up with Monte and get grading all rds in theTwp.Plus make date for calcium

Plus check all rds once a month

Call for a locate and hand dig wires at Mcisaac dr. because we have to replace two culverts.

The brush around all grave yards need to be cut.

We have to cut trees on Kenny rd, near dump that are dead.

Inventory of all culverts and signs plus inventory of the garage inside and outside of garage.

Brush all rds.that really need it.

All culverts entrances of culverts.

Cut out gravel pit line and put up markers plus fix fence.

Put out bag calcium out at docks and fix hole at end of dock.

Service truck for winter.

Both ends of the big culvert on the Mackey Creek rd at Conway creek are both are flattened by the ice when they drop the river can't tell if they are totally closed or not for you can only see about 8 inches of the culvert where its split and bent down rest under water.

Would like to order sign indicating that it's the Conway creek and signs for the Mackey creek for people think that Conway is the mackey creek it also helpful for 911.
