THE UNITED TOWNSHIPS OF HEAD,  
CLARA & MARIA

## IN FLANDERS FIELDS

In Flanders fields the poppies blow  
Between the crosses, row on row,  
That mark our place; and in the sky  
The larks, still bravely singing, fly  
Scarce heard amid the guns below.

We are the Dead. Short days ago  
We lived, felt dawn, saw sunset glow,  
Loved and were loved, and now we lie  
In Flanders fields.

Take up our quarrel with the foe:  
To you from failing hands we throw  
The torch; be yours to hold it high.  
If ye break faith with us who die  
We shall not sleep, though poppies grow  
In Flanders fields.

The significance of the poppy as a lasting memorial symbol to the fallen was realised by the Canadian surgeon John McCrae in his poem In Flanders Fields. The poppy came to represent the immeasurable sacrifice made by his comrades and quickly became a lasting memorial to those who died in World War One and later conflicts. 2015 marks the 100th anniversary of Lt. Col. John McCrae's legendary poem, In Flanders Fields. McCrae assembled his iconic verses while under heavy artillery fire in Belgium during World War One.

**A MESSAGE FROM MAYOR GIBSON**

Hello fellow constituents,

Some more of what my job at County Council entails.

We hear a lot about various Councils having closed meetings and closed meeting investigations. While we in Head Clara and Maria have very few closed meetings, that is not the case at County. Closed meetings are a common occurrence and you can imagine that running a corporation as large as Renfrew County there are a lot more situations that meet the strict criteria for holding a closed meeting. These closed meetings are often held at committee and again when the committee reports are given to County Council.

The County is in the process of reviewing its official plan. This is a very complex process and is very regulated by the province. Your Council has had a presentation by the Property and Development group and there will be opportunity for further input. Most of the smaller Municipalities in the county use the County's official plan.

The County warden is elected on an annual basis and this year we have Peter Emon, the current warden and Councilor Walter Stack

from Arnprior vying for the position. They are elected by the members of County Council in a closed ballot vote.

Some of you may have noticed that Swisha road has been repaved. This is one of the many roads the county owns and maintains.

Well that's it for the County part of my job for this newsletter.

Head Clara and Maria were successful in obtaining a Canada 150 grant of \$24,000 to apply to our three boat launches to do repairs and upgrades. Staff will be soliciting your input so if you have any good ideas for improvement or know of any problem areas that need fixing please let staff know. Thanks to Melinda for her good work in winning this grant money for us.

Please make a point of joining us for our Remembrance Day ceremonies on Wednesday, November 11<sup>th</sup> at the township hall between 10:30 and 10:45. We will be viewing a short video before going outside for the service. A light lunch will be provided.

Hope to see you all there.

## Information from Municipal Property Assessment Corporation

MUNICIPAL PROPERTY ASSESSMENT CORPORATION

If you have not already received an Property Assessment Notice, you should receive yours shortly. On October 27, 2015, the Municipal Property Assessment Corporation (MPAC) will begin mailing nearly one million Property Assessment Notices to property taxpayers across the province.

Each Notice mailed this fall shows the assessed value and classification of a property based on a January 1, 2012 legislated valuation date, which is in place for the 2013-2016 property tax years.

The last province-wide Assessment Update took place in 2012 when every property owner in Ontario received a Property Assessment Notice from MPAC. During non-Assessment Update years, MPAC continues to review properties as new homes are built, owners renovate, structures are removed and properties change use. The next province-wide Assessment Update takes place in 2016 for the 2017-2020 property tax years.

Although each Notice includes a variety of ways to contact MPAC, constituents may also contact your office. To help answer property taxpayers' questions, an online information kit has been posted on [www.mpac.ca](http://www.mpac.ca).

Property owners are encouraged to visit [aboutmyproperty.ca](http://aboutmyproperty.ca) to confirm their property details and compare their property with others in their neighborhood. Login information is included with every Notice mailed.

Enquiries about Property Assessment Notices and assessment matters in general may be directed to the Customer Contact Centre at 1 866 296-MPAC (6722) or 1 877 889-6722 (TTY). Additional information is also available on [www.mpac.ca](http://www.mpac.ca).

### Remembrance Day Ceremony

Wednesday November 11<sup>th</sup>

Head, Clara and Maria Veterans Memorial

Stonecliffe

Please gather in the Hall between 10:30 and 10:45  
Luncheon in the Hall will follow.

If you wish to contribute to the lunch please contact:  
Debbi Grills 586-1904 or Jim Gibson 586-2761

## C O M M U N I T Y N E W S

## HCM RECREATION COMMITTEE

This month I would like to personally use this space to say Thank you, Thank you, Thank you to the volunteers who are (or have been) part of the HCM Recreation Committee and work tirelessly (along with many other volunteers) to put on events for our community such as St. Patrick's Day, Canada Day, Music in the Park, Ball Tournaments, Trail Side Café, 50s/60s Dance, Fish Fry, Community Breakfasts, Wild Game Dinner and Hunter's Ball, Kids Halloween Parties and New Year's Eve. The first year and a half of operations has yielded 5-6 large community events and numerous smaller activities each year resulting in over \$17,000 to put back into the community for 2016.

In addition to raising operating funds for the subsequent year the committee has also purchased equipment for the community including: kitchen wares, picnic tables, umbrellas, tents, benches, a play structure for Old Mackey Park and upgrades to the Veteran's Memorial.

Thank you to members and Council representatives alike including: Councillors Dave Foote and Calvin Chartrand; Gayle Watters, Jim Watters, Paul Sarrazin, Roseanne Boudreau, Betty Condie, Linda Chartrand, Noella LeBreton, and Marlene Gibson.

Past members including: Councillor Debbi Grills, John Reith, David Balla-Boudreau and Carl Lentz.

Thank you for making our community an inclusive, active place to live. Your efforts have not gone unnoticed.

Sincerely,

Melinda Reith, Clerk/CAO

The **Next Newsletter** will go out **January 8th, 2016**. If you have any content for inclusion, please submit it to [hcminfo@xplornet.com](mailto:hcminfo@xplornet.com) or drop a hard copy off at the municipal office before then. Thank you for your interest in your community.

**Remember to save  
your Value Mart  
Receipts for  
Library  
Fundraising!**

## C O M M U N I T Y N E W S

### HCM SENIOR'S PROGRAM

There was a good turnout for Fred Blackstein's humorous presentation on October 24th. He spoke of his extensive experience volunteering in the community.

Fred was involved in substantial fundraising which led to major projects such as establishing the 911 emergency system, the 1998 Ice Storm Emergency recovery, the building of the Miramichi Long Term Care Facility, Pembroke's Millennium Waterfront Park and the new Ottawa Valley Campus of Algonquin College .

Fred was able to pass on valuable knowledge that is beneficial to our community, being that we are so volunteer driven.

Our Christmas Cake Baking days were also a hit! We baked enough delicious cake to contribute to our senior's programming refreshments, as well as to sell to the public to raise enough money to continue the tradition again next year. I would like to thank Melinda and Emily Reith, Linda Chartrand, Connie McCallum, Roseanne Boudreau and Gayle Watters for coming out and making it such a great event.

Also, Thank you to everyone who purchased the Christmas Cake, it is now sold out!

Our upcoming events include:

**Aging Well Theatre**, a local group who performs humorous skits on aging well. Admission is free and light refreshments will be served. This will take place on Thursday November 12th at 1:30 pm.

**Pickle ball** will take place on Thursday December 3rd at 1 pm in the township hall. Davis Earle will be coming to demonstrate the rules and regulations of the game.

On December 10th at 10 am, **Beth Ethier** from the Ontario Provincial Police will be coming to discuss Scam and Fraud Awareness with the community. This is an

issue that is of growing concern as it is present in our every day lives, from banking and telephone to email. It is becoming increasingly difficult to distinguish between what is legitimate vs. a scam. Beth will be able to assist with these issues as well as answer any general inquiries you may have.

**Kim Knight** will be delivering a 45 minute Yoga session on Tuesday January 12th at 10 am. Everyone is welcome to attend this free class, whether you are a beginner or advanced. Kim describes this class " as a "yoga-like" class about alignment to help with osteoporosis, posture, pain reduction, foot issues, better breathing, increasing strength, increasing range of motion to allow for safer, more stable walking. The class will start with a popular yoga breathing technique to centre the mind and then move into some gentle major joint warm-ups; ankles, wrists, shoulders, knees, hips, back and neck. Then we will do some exercises/movement to strengthen the hips and legs which will also be good for balance, along with some shoulder and spine movement. We would finish in 'deep relaxation' sitting in a chair. A chair would be available through out the class for balance and resting and to use as a prop for some of the movement. " Please do not be shy to join us, the more the merrier!

If anyone has any questions or concerns about any of these programs, or any others you would like to see, please call the office at 613-586-2526 and we would be happy to discuss it with you. Please keep an eye out for calendars and posters that will be distributed within the community with the latest recreational programming.

(CF)

## Library News

November is upon us, and together with all Canadians our thoughts turn towards Wednesday, November 11th - Remembrance Day. "On Remembrance Day members of the armed forces (soldiers, sailors and airmen) are commemorated. The other common name for this day is Armistice Day which marks the date and time when armies stopped fighting World War I on November 11th at 11am in 1918 (the eleventh hour of the eleventh day of the eleventh month). Some 100,000 Canadian soldiers died in the First and Second World Wars."

HCM Public Library is proud to highlight a collection of books for both youth and adults, as well as movies/DVDs, which focus on the wars, our Canadian military and their families and their experiences during and after wartime.

A few of our 'junior' book titles are:

Valour Remembered  
-At Vimy Ridge  
-Elsie's War  
-Heroes of the Holocaust

Our 'adult' non-fiction include:

A Train in Winter  
-True Canadian War Stories  
-No Higher Purpose -Amazing Airmen  
and many more titles.

DVDs include:

In Flanders Fields  
-D-Day  
-Watch and Warn  
-Dieppe  
-The Boys of Kelvin High  
and more.

**Thank you to everyone who came out and joined us for our Library fundraiser Card Party on October 22<sup>nd</sup>; it was a total success. See you in the Spring!**

Another Public Library Week has come and gone, and we thank all of our library patrons who came to visit their library. The lucky winners of the Public Library Week draws are:

\$25 Coles Gift Card - Emily Reith  
\$15 Coles Gift Card - Nathaniel Chaput  
\$10 Coles Gift Card - Winston Chartrand  
Chocolate Haunted House - Tom Foreman

We are pleased to note that our collection includes "The Occupied Garden: A Family Memoir of War-Torn Holland" written by two local sisters/authors - Kristen den Hartog and Tracy Kasaboski.

Remember, not only do we have new books and movies coming in all the time, we also have many e-resources and magazine subscriptions available to all library patrons.

Don't forget to drop in and check out our Christmas/seasonal selection of books and DVDs, on display after November 18<sup>th</sup>. In the meantime, if you know of any new seasonal books or DVDs to add to our collection, please let us know by emailing the librarian at [hcmlibra@xplornet.com](mailto:hcmlibra@xplornet.com).

In December, you will have a chance to win Santa's Workshop (made of chocolate). This will be on display from December 2 – 23, with the draw taking place on the 23<sup>rd</sup>.

#### **Your Escape Close to Home**

Drop by the library to check out our books—new and old, DVDs, audio-books, use our wifi or go on-line with one of our computers.

#### **Enjoy your Library!**

Open M, T, W & F 8:30 – 4:00

Tuesday evenings 6:00 p.m. – 8:30

Saturday 12:30 p.m. – 3:00.

# Tone and Fit Group

**Meets Monday, Wednesday, and Friday**

**Township Hall - 9:00 am to 10:00 am**

**Everyone is welcome - No Cost—Please come and join us.**

**Mild Aerobic exercise to suit your needs via DVD instruction.**

**Contact Cathy Sutherland – [mcsutherland1954@gmail.com](mailto:mcsutherland1954@gmail.com) or 613-586-2591 for information!**

**Or just drop by.**

## Yoga in Stonecliffe

Yoga is continuing for a late fall session at the HCM Community Centre. The start times are changing for these Thursday morning yoga classes with instructor Kim Knight. We are hoping to interest at least 5 participants and will gladly welcome more! Yoga is a great activity for all age groups. It can help you improve your strength and flexibility.

Things you need to know:

Classes and Times:

Thursday November 5	11:00 to noon
Thursday November 12	11:00 to noon
Thursday November 19	11:00 to noon
Thursday December 3	11:00 to noon
Thursday December 10	noon to 1:00 *time change for this day only
Thursday December 17	11:00 to noon

\$10 per class prepaid for the 6 weeks (\$60)

Participants will need a yoga mat. There are a few mats at the hall if you wish to try a class.

A Message from Kim

*After the first class, I'll tailor your classes to suit the needs of each of the participants; observing how they move and making recommendations for healthier movement using poses and movement to do this. Participants need to be able to get up and down off of the floor, assisted by a chair if necessary.*

If you are interested in joining this group, please contact Debbi Grills to get your name on the list at 613-586-1904 or leave a message at the office 613-586-2526.

# Fire Safety in HCM

## WHAT IS CARBON MONOXIDE?

- Carbon monoxide (CO) is known as the silent killer because it is an invisible, tasteless and odourless gas that can be deadly.
- CO is produced when fuels such as propane, gasoline, natural gas, heating oil or wood do not burn completely in fuel-burning appliances and devices such as furnaces, fireplaces, hot water heaters, stoves, barbeques, portable heaters and generators or vehicles.
- Over 80% of CO-related injuries and deaths in Ontario occur in the home (source: TSSA).

## SYMPTOMS OF CARBON MONOXIDE POISONING:

- Exposure to CO can cause flu-like symptoms such as headaches, nausea and dizziness, as well as confusion, drowsiness, loss of consciousness and death.
- If your CO alarm sounds, and you or other occupants suffer from symptoms of CO poisoning, get everyone out of the home immediately. Then call 9-1-1 or your local emergency services number from outside the building. If your CO alarm sounds, and no one is suffering from symptoms of CO poisoning, check to see if the battery needs replacing, or the alarm has reached its "end-of-life" before calling 9-1-1.

## CO ALARM INSTALLATION REQUIREMENTS

### Carbon monoxide alarm installation requirements

- Fuel-burning appliances include furnaces, hot water heaters, gas or wood fireplaces, portable fuel-burning heaters and generators, barbeques, stoves and vehicles.
- If your home has a fuel-burning appliance, a fireplace or an attached garage, install a carbon monoxide alarm adjacent to each sleeping area.
- If you live in an apartment or condo building:
- If there is a fuel-burning appliance in your condo/apartment, install a carbon monoxide alarm adjacent to each sleeping area.
- If your building has a service room, carbon monoxide alarms must be installed in the service room and adjacent to each sleeping area of all condos/apartments above, below and beside the service room.
- If your building has a garage, carbon monoxide alarms must be installed adjacent to each sleeping area of all condos/apartments above, below and beside the garage.
- For added protection, install a carbon monoxide alarm on every storey of the home according to manufacturer's instructions

In general, "adjacent to each sleeping area" means the hallway serving or area outside the sleeping area. For instance, a CO alarm must be installed in the hallway adjacent to multiple bedrooms in a house or apartment.

However, there may be situations where "adjacent to each sleeping area" refers to the area around the bed, within the bedroom or sleeping area itself.

CO Alarms are required by law. If you need to purchase one, they are available at the Township Office. Please give us a call at 613-586-2526 if you have any questions or concerns.

## EUCHRE SCHEDULE

Come join us for Euchre at the Township Hall  
Sundays at 2 pm.

November 15	February 14
November 29	February 28
December 6	March 20
January 3	April 3
January 10	April 17
January 25	
January 31	

## WANTED

Looking for interested individuals to help decorate the community centre for Christmas. You don't have to have any special talents, just be willing to use your imagination to help turn our hall into a winter wonderland. We are looking for people to decorate trees, hang snowflakes, string lights and garland, set up our "fireplace" and decorate the mantel. If you are interested, please let us know. New for 2015, we hope to string outdoor lights. We are currently looking at Saturday, December 5th or Sunday the 6th – a.m. If that time doesn't suit but you'd like to help, I'm sure we can find a specific task for you. Just leave a message on our voicemail after hours or with Crystal during office hours."

## Community Dates to Remember

- November 11, 2015—10:30 am  
Remembrance Day Ceremony
- November 12, 2015—1:30 pm  
Aging Well Theatre
- November 13, 2015 - 2 pm  
Regular Meeting of Council
- November 14, 2015  
Wild Game Dinner 5 -7:30 pm  
Hunter's Ball 8pm-12 am  
Come out for live entertainment
- December 3, 2015 - 1 pm  
Pickle ball
- December 5 - Hall Decorating / Baking
- December 10, 2015—10 am  
Beth Ethier, OPP  
Scam and Fraud Awareness
- December 31, 2015 - 8 pm  
New Year's Eve Party
- January 12, 2016 - 10 am  
Kim Knight, Yoga

Watch your email and bulletin boards for  
more information.

Things got a whole lot spookier at the hall on Halloween weekend. There was a good turnout with witches, wolverines, princesses, pirates and more! With such a great turnout we can plan for these activities to continue. However, with so many children we have to ensure proper parental supervision is present. Here is a sample of our art work.

2015

We know it's early but please SAVE THE DATE....

for the CWL

Community Christmas Social & Potluck  
Supper

Stonecliffe Community Centre

Activities are planned for the whole family.

Please bring a donation for the Food Bank (if you are able)

Join us for an afternoon of Christmas fun.

Supper served at 5:00 pm

Help us plan - RSVP by December 7th to:

Linda Chartrand 586-2366

Debbi Grills 586-1904

# ***Please keep these tips in mind for the upcoming holiday season.***

## **12 DAYS OF HOLIDAY FIRE SAFETY**

**'Tis the Season to be Careful!**

**12 tips to help protect your family**

Join the '12 Days of Holiday Fire Safety' – make the Fire Marshal's wish come true for the most fire-safe December ever.

**DAY 1** **Water fresh trees daily.** Keep the base of the trunk in water at all times. Keep your tree away from any ignition source such as the fireplace, heaters or candles.

**DAY 2** **Check all lights before decorating.** Before you put up lights check the cords closely. Discard any sets that are frayed or damaged. Never plug more than 3 strings of lights together. Never connect LED to conventional lights. This is likely to wear out LED bulbs more rapidly and could pose a fire or electrical hazard.

**DAY 3** **Make sure you have working smoke alarms.** It's the law to have one working smoke alarm on every storey of your home and outside all sleeping areas. Test smoke alarms monthly and replace smoke alarms as indicated in the manufacturer's instructions. Replace batteries once per year or choose models with 10- year sealed batteries that never need to be changed.

**DAY 4** **Protect your family with carbon monoxide alarms; it's the law in Ontario.** If your home has a fuel-burning appliance or an attached garage, you must have a working CO alarm adjacent to each sleeping area of the home. For added protection, install one on every storey of your home according to manufacturer's instructions, that also identify when CO alarms need to be replaced.

**DAY 5** **Make sure everyone knows how to get out safely.** Develop and practise a home escape plan with everyone in your home, as well as guests over the holidays. Once outside, stay outside and call 911 from a cellphone or neighbour's house. Determine who will be responsible for helping anyone who may need assistance.

**DAY 6** **Use extension cords wisely.** Avoid overloading circuits and plugs with extension cords, as this can create overheating that could result in a fire. Never put cords under rugs.

**DAY 7** **Give space heaters space.** Keep them at least one metre (3 feet) away from anything that can burn such as curtains, upholstery, or holiday decorations.

**DAY 8** **Go flameless.** Avoid using real candles, opting instead for safer flameless candles. If you use real candles remember to blow them out before leaving the room or going to bed. Keep lit candles safely away from children and pets and anything that can burn.

**DAY 9** **Keep matches and lighters out of the sight and reach of children.** Matches and lighters can be deadly in the hands of children. If you smoke, have only one lighter or book of matches and keep them with you at all times.

**DAY 10** **Watch what you heat.** Always stay in the kitchen and pay attention to your cooking – especially if using oil or high temperatures. If a pot catches fire, carefully slide a tight-fitting lid over the pot to smother the flames and then turn off the heat.

**DAY 11** **Encourage smokers to smoke outside.** Careless smoking is the leading cause of fatal fires. Encourage smokers to smoke outside and use large, deep ashtrays that can't be knocked over. Make sure cigarette butts are properly extinguished.

**DAY 12** **There's more to responsible drinking than taking a cab home.** With all the festive cheer this time of year, keep a close eye on anyone attempting to cook or smoke while under the influence of alcohol. Alcohol is all too often a common factor in many fatal fires.

### **Municipal Disposal Site Hours**

#### **Bissett Creek Site**

Tuesday 12:30 pm - 3:30 pm (3 hours)

Saturday 12:45pm - 3:45pm (3 hours)

Located on Bissett Creek Road

#### **Stonecliffe Site**

Thursday 12:45pm - 4:15 pm (3.5 hours)

Saturday 8:30 am to 12:00 noon (3.5 hours)

Located on Kenny Road

### **Collection Days and Times**

#### **Deux Rivières**

Tuesday 10:00 a.m. - 11:00 a.m.

#### **Bissett Creek**

Tuesday 11:30 a.m. - 12:00 noon

#### **Stonecliffe**

Thursday 11:00 - 12:00 noon

#### **Mackey**

Thursday 9:00 a.m. - 11:00 a.m.

## **WASTE REDUCTION**

Canadians produce more than 31 million tonnes of waste annually. Nearly 40% of this waste is generated at home with the remainder coming from commercial, industrial, construction and demolition sources. Of the waste we are generating, we are diverting less than 25%. Most of our waste is buried in landfills. For waste to decompose in a healthy environment, such as your compost pile, it requires air and water. These are not present deep in the landfill, and as the waste slowly decomposes and reacts with what is around it, it can produce a leachate which may end up in our groundwater system, not to mention creating greenhouse gases such as methane and carbon dioxide. According to Environment Canada<sup>2</sup>, landfill sites account for 38% of Canada's total methane emissions. If we can reduce the amount of waste that is produced in the first instance, we are conserving resources and limiting the need to reuse or recycle.

It is up to each of us as individuals, communities, schools or businesses to consider what we are throwing away and the environmental impact this is causing. We need to look for alternatives that will promote waste reduction and help to protect our environment.

### **HCM Staff Diversion Efforts**

We collect pop can tabs, stamps, Campbell's labels and milk bags at the municipal hall. We pass them on to different organizations or school groups who then collect larger amounts with the end goal of providing funds or a product to make someone's life easier.

If you are aware of any other group or organization which collects recyclable materials for the greater good; let us know and we will investigate to see if it is something that we can support.

## Reduce

Reducing the amount of waste produced in the first place, is by far the most efficient way of conserving resources and protecting our environment.

We are all responsible for the waste we produce, so think: what do you throw away each day? When you avoid making waste in the first place, you don't have to worry about reusing it or recycling it later.

At work or school:

- Reduce paper use by using both sides
- Pack your lunch in reusable containers
- Rent items that are not used very often
- Purchase products with recycled content

When shopping:

- Reduce waste by avoiding over packaged or unnecessary disposable items .
- Avoid food packaged in individual servings—where feasible and safe, buy in bulk
- Buy drinks in refillable containers where available
- Use your own cloth bags

As a community encourage your neighbors and friends to do the same. As a business reduce the amount of packaging you require for your products or the amount of materials used to make your product.

## Reuse

Reusing items give the resources they were originally made from another life, while reducing pollution and conserving the energy that comes with the manufacturing process or recycling the items.

- Purchase durable products that can be repaired and reused.
- Donate things to or purchase household items and clothing from charity shops or have a yard sale. You will be amazed - one person's trash is another's treasure!
- Reuse jars and containers for storage. Donate reusable equipment to schools, churches or other charity organizations.
- When shopping consider buying used items. There are many "used" stores that offer refurbished items that work as good as new.

## Recycle

Recycling and purchasing products made with recycled materials is the next way we can conserve resources. If we can't reduce waste by avoiding it, and it can't be reused, can we recycle it?

17 million Canadians (nearly 2/3 of us) have access to recycling.

- Recycle in the garden by composting organics such as food scraps, leaves and yard trimmings.
- At work, separate items for recycling - this can save your business money in disposal costs.
- At school, consider setting up a recycling program.
- At home, use the recycling services provided by your municipality or take end-of-life items back to where they were purchased or other take-back centers.
- When shopping consider the material that the item is made from and packaged in. Have the resources already had a previous life? Are these resources renewable? How much of it is made up of recycled content? And only purchase materials which can be recycled again.

### Recycling Collection Dates

**November - 9, 23**

**December - 7, 21**

**January - 4, 18**

**February - 1, 15, 29**

**March - 14, 28**
