REPORT TITLE									
<h1>Brent Campground Waste Report</h1> <h2>#08/05/15/1202</h2>									

Subject:

A request from the Ministry of Natural Resources to bring waste from Brent Campground to the Maria Disposal Site again in 2015.

RECOMMENDATION:

That Council approve the following resolution accepting waste from Algonquin Provincial Park as we do from Driftwood.

WHEREAS the Brent Campground is being managed by the MNR similarly to Driftwood and have requested access to municipal Disposal Sites;

THEREFORE BE IT RESOLVED THAT the Council of the United Townships of Head, Clara & Maria does hereby agree to accept material at the Municipal Disposal Sites based on the fees established in the municipal Waste Management By-law as in 2014.

BACKGROUND/EXECUTIVE SUMMARY:

Staff have been contacted by the Ministry of Natural Resources in Pembroke who are managing the Brent Campground and access point to Algonquin Park with a request to bring their waste to Bissett.

For 2013 they disposed of 433 bags of garbage. There were 468 bags in 2014.

Options/Discussion:

- Precedent has been set by accepting waste from Driftwood Provincial Park.
- Compliance with the Municipal Waste Management By-law has been promised including promotion of a recycling program.

- The recycling will not be a concern of ours but will be an agreement between the MNR and BAG Recycling or another provider of their choice.

Financial Considerations/Budget Impact:

Costs of material management and disposal will be offset by price per bag.

Policy Impact:

As per existing policy and precedent set by accepting Driftwood's waste and that from Brent Campground in 2014.

Approved and Recommended by the Clerk

Melinda Reith,

Municipal Clerk

Melinda Reith
