

## Mayor's report to Council

Nov 13th, 2015

Good afternoon,

Since last Council meeting on Oct 14<sup>th</sup>, I have attended a special meeting of Development and Property on Oct 19<sup>th</sup>. On Oct 22<sup>nd</sup> I attended, along with Mrs. Gibson, the annual County awards dinner. This awards nite recognizes employment milestones for County employees as well as special recognition for those County employees who have taken retirement. On Oct 28<sup>th</sup> I attended County Council and on the 29<sup>th</sup> participated in the photo op with MP Gallant for our Canada 150 grant presentation. I sent an article and photo to the NRT which they published.

On Nov 2<sup>nd</sup> I met with Norm Lemke and C.B. Pappin for a two hour update on the Algonquin land claim. You have an update sheet in your package.

Although not Council business, I attended a meeting of the Deep River and District Hospital Foundation.

On Nov 6<sup>th</sup> I attended a Mayor's meeting in Cloyne and the minutes of that meeting are in your package.

On Nov 10<sup>th</sup> I attended a Development and Property Committee meeting and on Nov 12<sup>th</sup> I attended a Renfrew County Housing Corporation and a Social Services Committee meeting as well as a Community Policing Advisory Committee meeting.

This concludes my report to Council.
