THE UNITED TOWNSHIPS OF HEAD, CLARA & MARIA

Head, Clara and Maria's annual Canada Day celebration at Old Mackey Park was a major success again this year, despite the rain.

Over 200 people came out to enjoy a free barbeque lunch, children's activities and open mic.

People lined up for a chance to dunk Major Gibson and Councillor Chartrand, who both braved the dunk tank in order to raise money for Homecoming 2017.

Kids enjoyed the inflatable bouncy castle, t-shirt painting, face painting, tattoos, teepee, and a large variety of games. New treats this year included popcorn, snow cones, butter tarts and a lollipop tree, of which all proceeds raised will go to Homecoming 2017.

A big thank you to Kurt Penney for leading open

mic and those who joined in to entertain us. Head, Clara

and Maria Staff and Council would like to express our sincere gratitude to our Recreation Committee members, our volunteers and our supporters without whom this event would not have been the success it is. Many volunteer hours go into an event of this size and it would not be possible without our volunteers. From planning, set up, food prep, cooking, serving, cleaning, tear down, manning the Welcome

Tent and activities—the list goes on and each volunteer's contribu-

tions are truly appreciated.

Also—thank you to Jim Murphy who once again donated

his time and talent to give us these beautiful pictures. To see more, please visit our website at www.townshipsofheadclaramaria.ca.

Recreation

The recreation equipment lending hub is a huge success! Lots of paddleboards, kayaks and bikes have been loaned out over the last couple of weeks. We also have fishing rods, a badminton set, ball hockey set, large soccer nets, grip ball, and a variety of sports balls that are available to borrow. Due to the demand of the equipment, we are limiting the loan out period to one week to ensure that everyone has an opportunity to use the equipment.

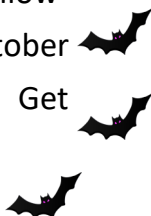

Recreation Committee would like to thank all the volunteers who made the 50/60's Dance possible and those who came out to support the event.

HCM Rec Committee is hosting a baseball tournament on Friday September 9th (evening) and Saturday September 10th. If you are interested in playing or registering a team, please contact Paul Sarrazin at 613-717-3361 . The canteen and bar will be open Saturday from 11:00 am until the games are finished and there will also be a Fish Fry from 11:00 am until 3:00 pm. Just a reminder that consuming alcohol is only permitted in designated areas as per the municipalities liquor licence. The licenced areas include inside the community centre and the fenced off area outdoors.

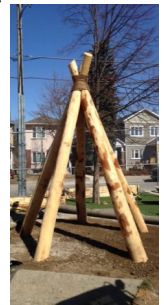

There will be a children's Halloween Party on Saturday October 29th from 1:00 pm until 4:00 pm. Get dressed up for some treats, music and games.

The Wild Game Dinner will take place on November 26th, featuring homemade Wild Boar Baked Beans, Moose Meatball Spaghetti and Wild Goulash. We will begin accepting donations in September if anyone is willing to share their wild game. Please see the attached poster for more information.

Construction of a play structure at Old Mackey Park will begin soon and we will be looking for volunteers to help with assembly. We also received grant funding under the Healthy Kids Community Challenge for the installation of a Natural Play scape. It has been brought to our attention many times that we are lacking outdoor entertainment for children when we have gatherings at the community centre, especially at baseball tournaments. Therefore, it has been decided that the community centre would be the most desirable place to put the Natural Play scape. The Natural Playscape will feature an embankment slide, teepee, cedar swing set and climbing

rocks, tires and rope. Once construction begins, we will need volunteers to help with assembling different aspects of the play scape.

Please call the office if you are interested in helping. Projects like this cannot continue without the support of volunteers.

Waste Management

Residents have been doing a great job of sorting their recycling materials. There has been some inquiries about which plastic products are recyclable vs. waste. Plastics that can be recycled include Ziploc bags, grocery and flyer sacs, grocery bags, overwrap, pop and water cases, toilet paper and paper towel overwrap, outer milk bags, bread bags and dry cleaning film bags.

Plastics that **cannot** be recycled include dog food bags, frozen food bags (frozen fruit, vegetables etc.) meat wrap, toys, soil bags and garden pots.

DUAL STREAM RECYCLING IN HEAD, CLARA AND MARIA

Commingled- tin cans, aluminum cans, paint cans (empty, open, and metal only—not plastic cans) pie plates, trays, foil wrap; clear and coloured glass food and beverage bottles and jars; plastic food and beverage containers: bottles, tubs and lids, milk and juice cartons, ice cream containers
rinsed and clean

Fibre- newspaper, magazines, catalogues, flyers, junk mail; boxboard/ paperboard: cereal boxes, cracker boxes, tissue boxes, “paper” egg cartons, toilet paper/ paper towel rolls

Plastics- grocery and shopping bags. Outer wrap from water/pop cases, toilet paper and paper towels. Put all these items inside one bag—“bag in bag system”

Shredded Paper- must be in separate clear bag

Head, Clara and Maria’s Dual Stream Recycling program requires that fibres be separated from commingled material in clear plastic bags for curbside collection, or loose if residents wish to drop off their materials at the disposal site.

Please separate materials properly!

Items that are **not** recyclable: Zippered plastic bags (usually for blankets or bed-in-a-bag sets), solar blankets, fiber glass feed bags, **Styrofoam of any kind**, bubble wrap, sponge foam, foam sheeting, hard cover books, plastic or metal strapping, picture frames, plastic with metal paint cans, hangers, oil containers, compost, glass or ceramic dishes, Tupperware, Rubbermaid, plastic toys, window pane glass and diapers.

Electronics, tires, scrap metal, clean wood/brush can be dropped off at the disposal site free of charge during regular operating hours.

Reminder—The orange cargo container located at the municipal office is no longer used for garbage or recycling drop off. Staff has found garbage and recycling dumped outside of the containers multiple times. There are surveillance cameras in the area and corrective action will be taken against individuals who are caught dumping/littering garbage.

If you have any questions or concerns about garbage and/or recycling sorting, please do not hesitate to contact the municipal office at 613-586-2526.

HCM Staff Diversion Efforts

We collect pop can tabs, stamps, Campbell's labels and milk bags at the municipal hall. We pass them on to different organizations or school groups who then collect larger amounts with the end goal of providing funds or a product to make someone's life easier.

If you are aware of any other group or organization which collects recyclable materials for the greater good; let us know and we will investigate to see if it is something that we can support.
