BACKGROUND/EXECUTIVE SUMMARY:

As per the Procedure By-Law Council is to set an annual meeting schedule.

All Council meetings are scheduled for Tuesdays at 19:00 h or 7:00 p.m. Committee of the Whole, public or special meetings of Council may be scheduled as required during the year with notice provided as per the Municipal Notice By-Law.

These dates will be inserted into the Google Municipal Calendar linked from our home page <http://www.townshipsofheadclaramaria.ca/calendar/> for ease of viewing and will be either modified or made permanent once council adopts its resolution.

Options/Discussion:

Aside from adding Committee of the Whole meetings to discuss and debate issues which require more Council input, the current system of monthly meetings seems to be working efficiently. There is little that has had to be postponed or has been negatively affected by this schedule.

Financial Considerations/Budget Impact:

There is no direct budget impact as honoraria are paid on a pro-rated basis. Staff make up over-time as time for time. The challenge with increased meetings are increased costs of meeting preparation, minutes etc. Budget is not normally an issue with meeting scheduling.

Policy Impact:

Recommendation meets current policy. The Procedure by-law allows for Council to set the meeting schedule and make changes/amendments through resolution of Council.
