never been questioned. I am honest & truthful to a fault. I feel I have a lot to offer & would like to be able to try this position for the short term required and see if we are a fit.

As an RSMC - Rural Service Mail Carrier - I have dealt with unhappy people. I have always cared about service to the public. Usually I have been able to calm a situation and help solve any problems.

I have had experience on all committees mentioned. I would hope to serve where I am needed the most!

Short-term - learn how this Council works and try to adapt to your rules and responsibilities

long-term - would love to have internet available without the HUB.

Already know this community is such a loving & caring one. Think people are all responsible for environment we live and work in. I want to help make this a happier community. Can't say more till I learn more about this community.
