Explain why you would like to serve on Council (If extra space is required, please attach)
I have lived in Renfrew County for most of my life. I have attended school, worked with and known most of the people in this area for that entire time. I see Mackey as the close knit and friendly community that my husband and I were looking for, for our retirement. I love this community and want nothing more than the best interests of its' constituents to be heard and adhered to.

Mayor Reid and Council:

1. I believe that I would make the best representative for Head, Clara & Maria based on the following:

I am a local girl, raised right here in the valley. I went to school here and attended alongside many of our neighbors. I can relate to their lifestyle, concerns and expectations. I am familiar with the issues that can arise living in Northern Ontario. I am an avid outdoor enthusiast, whether it be motorized or non, my husband and I enjoy our surroundings to the fullest. Having camped at Antler's Kingfisher Lodge for many years and now living in Mackey, I look forward to serving the Township from one end to the other.

Council Member Code of Conduct:

2. 1.1 This is not much of a stretch from my military days. One must always remain loyal. To the unit, to your comrades and to oneself.

Being a councilor, one must serve with loyalty. No bias. To the Township and to its' constituents, putting your personal feelings on a shelf and doing what is in the best interest of all our neighbors.

1.2 To me, this means to always conduct oneself with Dignity and honesty. A council member must have the utmost transparency. You must be capable of decision making based on your own educated opinion and not be swayed by the opinions or motives of others. This must be obvious in all that you do.

3. As a previous safety inspector for CNL it is obvious that you will never make everyone happy. Unfortunately this can be a most difficult task when having to make decisions that affect your friends and neighbors. There will always be someone who will not agree with the decisions you have to make. Sometimes this is an excellent opportunity to educate people on the importance of getting involved with ones community. My past experience has shown me that when you do a good job, are honest and approachable, people will come to you and ask. They will know that you have never led them astray before, therefore must have a good reason for making an unpopular decision. And sometimes, we just have to agree to disagree and hope that your decision will prove itself down the road.
4. Being a Council representative on volunteer committees will not be something new for me, as I am already actively involved in so many aspects of the community. From Bartending, Umpiring Softball, Serving Meals, Stocking and spearheading the (new) Annual Fathers Weekend Fishing Derby. Being an active member in the community is key to enjoying the community. We live in one of the best parts of Canada and we need to get out there and make use of all we have been given.

5. My short and long-term vision for the Municipality are as follows:

To get some resolution for the ongoing issues that have been plaguing this community for the past year or more. To assist in putting Head, Clara and Maria back to being an esteemed and valued Township in the Ottawa Valley.

To maintain our cherished way of life in this small community. To help our neighbors enjoy and take advantage of the beauty that nature has bestowed upon us.

To provide a council that our constituents can appreciate and trust in. A loyal, honest and approachable council that can unite together for nothing other than the well being of this amazing community.

Respectfully,

Nancy W. Rose
