

12:00

April 27/18

1

[Redacted]

- [Redacted] Snowmobile club.
- 1st stated Sean Conway Tom Hall.
- snowmobile trail.

Rail line.

- Campes on end up being pro-active.
- once in a life time.

- missed once - wait here it again.

[Redacted] line adjacent - yea things that go by that makes noise. so does train.

- rail line pre-dates. - if you move to area.
- One line to be outdoors - not be isolated.
- from freedomers being able to do that.

- snowmobile trail
- let people get to know neighbours.
- brought people together.
- bonding of all communities.
- groom trails -

biggest generator of revenue.

- spend money back in. - some people.

- 3 groups snowmobiles. - not life = death for us.

[Redacted]

2

- snowmobile - hit & miss
- in fishing more consistent.
- cater to them.

lot of two businesses.
- bring in a lot of money for tourism

[redacted] - side line.

- full time job. 12 mos of the year

- getting things taken away - fishing/shooting.

- take snowmobiling away.

- we're not doing that

- rail line - groome opens - so easy to groome.

- other sections dangerous.

- great trails. everyone has helped make

- know one of the best areas in Ontario

- we had no idea what was going to happen.

- snowmobile friendly. groome friendly.

- all kinds of opportunities

- people leveling tracks

- materials used

- trail markers

- rail/mo - people employed
- where is money coming from?
- share to see it not come to fruition.
- work - who ever is putting it through.
- truck by-pass. Materua area?
- New businesses - multi-use - 12yrs demand there almost.
 - economic development
 - people lined to maintain the trail.
- \$ where is money coming from?
- \$ spent inside
- businesses closed. lost.

 tourism ~~at~~ huts.
 - welcome.

 - Return on investment for signage.
 - bantr. system.
