

①

- just angry

Who are we?

hit rail. flew in the air that's how fast they were going

- snowbirds - 2 ip all over the place - off rail bed through yard between sheds.

- Speed. who is going to control it  
- we don't see police - never see them here.  
by the time police get here.  
→ explained parking by incident.

- snowm - allows people to park  
- use yard to park - leave things there.  
- worried. I'm liable -   
- how long are they friends

- people still park on road.  
- 4 wheelers - load on tires.

- why do we not get to buy property back.

-fencing.

-why can't they use trails in back?  
already exist.

I'm fully against motorized.-

stopped @ Ashpat - into bush.

-noise. - 4 wheels - over 1/2 drinking? drunk  
esp. when you don't see police.

→ come up for day - to ride our trails - go home.

→ -parking in a couple of places from here to D.P.  
who will pay for it.

→ stop at Ashpat - use trails that everyone is  
so proud of.

→ access - fewer trails to promote certain areas.

-police presence.

- not consulted at this point.
- name - Algonquin Trail.
  - how did they come up w name - no consultation
- live on old CN line.
  - thank God there was a lot of sawmobile that I found quite irritating.
  - how do humans feel about that?

- don't see how motorized & active trail mix.

- I don't know what council feels - I certainly not natural personally.
- I don't like it.
  - for someone coming up here to enjoy the beauty and go to an area where I could walk/hike to have ATVs passed.
    - wildlife, nature - does it thrill me, I wouldn't come up here if it's motorized.
  - will - what will it do to property values.

- lets face it we're having a nice meal and all you hear is whinnies

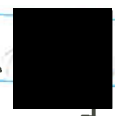

①  
- how would it include, affect land claim

live on line - don't like to traffic.

hunting - I allow them on my property

OFSC trails, but its not welcome. \*  
on reserve.

MLSC - I stated [redacted] yrs ago.

- personally I'm not involved anymore.

- benefit only a few people.

- Every road & trail - clubs take them over.

- gone way over - can't go any where w/o permit

- no where to go - club gotten too big.

- proximity to rail line.

- don't agree = hang - see its possible, be

out = horse - wheelchair - walking, skiing on

Some trail - policing - don't have any fire.

- seems we, how we get into this.

- IS it not accurate for what I've need  
that if hrs do not agree.

that mun. has to pay for re-routing

3

- where does council stand?

- meterized trail - can't see it

- personal - I can't see that happen.

- Out on horses - blind corner. - 4 wheel.

where are horses going?

County looks @ rail trail - east of Ave - flat.

- bridges. embankments - how to be dealt w

- is there a time frame? no.

fixing a bit at a time.

- support trail - but not meterized.

- walking. cycling. nature.

trail for 4 season use.

- is school going to have access?

- couple of yrs ago - got used. pics of use etc

- experiences this spring. - a longer snow

- along rail line - loud - fast

- race track - crossings - flying. - fun

- talk to a couple groups - Ottawa - trails stay for day - go back home.

does it benefit anybody

- I don't think we're in this to subsidize

tourist industry - all we're doing is

④

Setting up for few people who will work locally

I'm not going out there = snow machines

other 9 mos - 4 weekends.

- a lot of local users will utilize.
- cost taps a whole lot of money
- only benefit tourist trade (a very few)
- Subsidize - Camps & store

- don't forget they have to make bus. so lag as they don't infringe on my life.

- trans - was organized. - noise.

- now open season

- (got used to trans..) different sand.

- uniform - now have. - they left a lot of stuff too.

- I know what went on.

- looks good it will grow back on - not clean

- noise. that's their whole rest of other factors.

- Snow trail - this time frame - amount of garbage.

- never took boots off - Hervey Lake.

3 mos time frame - 1 step - no restroom

- if happens - reason to stop - any place will be garbage - who will look for that bear? bins?

5

- don't have to consume me  
sounds like there's abuse already

- abuse - every point you can access - sign - no trespassing.

not policed?

pictures 500-600ft away  
trespass. evidence - wheelers.  
- private property not protected.  
- visibility & noise.

pictures - to share.

if you're not controlling it now, what are you going to do with an influx of people?

- other problems - theft.  
accidents - breakdowns, sickness - access  
- fences

- strongly suggested - re-routed -  
local stonecliffe people - why is this going  
by my house - felt that way for a while  
- it could be re-routed

6

weekend warriors.

- rats on pipeline. Grubler - leaves on report.  
pipeline - hunt along it - dug up ridiculous

big rats - stay off.

proper permission - creeks - TransCanada permission

- put posts to close it
  - people pull them up
  - that's what goes on.
  - west of Macky Creek - nothing growing.
  - rains washes out again.
- then they decide to go elsewhere.

could be destroying historic artifacts on land?

whose going to change that.

agree on and it never happens.  
policing.

no. by-law enforcement officers. - by-law.

- re-route.

⑦

- I don't want to see motorized here.
- look at a couple of spots.
- here - Bisset Creek.
- speaking for my neighbour.

on old railway CN, on reserve. - expressed problems.

We have no way of knowing how much traffic there'll be?

undated = noise pollution, land pollution, trespassing. Causing to territory ripping up your community.

I know guys who have camps back here.

- wide open all weekend - road well ripped off.

Promote physical fitness -  
- Speed walking.

→ It's the wild west - not going to meet enforcement.

trail seems used by a few local taxpayers

- by lots of tourists - tourist operators benefit
- taxpayer pays
- taxpayer's subsidizing resorts.

- I don't think we know what we're getting into  
- once we agree to that. those guys are going  
to be pulling in to get onto trants.

- invite tourism - boat launches - not many locals
- manage by traps.
  - tourists using that more than few locals.
  - raise funds grants to get in place.
  - park - beautiful. P.R. See or people using  
them a bit. - don't see some # of people using  
that rail line.

want to encourage tourism but not at the cost  
of your enjoyment of life.

- look @ a cliff light - MNR. - closed down  
occupied - for sale.
- maybe a nest egg - utilize get people off rail line.
- buying Maly motel.
