

①

③

April 27/18

- mixed use - general purpose. some concern goes away!  
 = widening. fixing
- sections cut at a time as funding goes through
- clubs + taps to chip in to do work
  - brushing. maintenance @ our cost. once trail in place.
- its a done deal.
- didn't get all funding for 2018.
- alt. reason what can we do to enhance trail.
- from owners of capitol
- lacroix park. Makey but lunch - yurt - people who going through can sleep.
- probably done on side of road. only way.

- Has printed notes.
  - wilderness. hospitality.
  - low population
- competition - to existing businesses.
- trail is not ours! - committee to oversee.

2

8/1/55

ing - policing.

not even locking @ our area

noise - not legal machine.

don for the trail.

- biggest affected = motorized running through  
Stacciffe.

how can they use them?

300 feet straight down.

3 major culvert projects - not budgeted

under water

- Stacciffe. - repair - Bissett Condemned.

not to be used again.

\* "Heritage Site" -> transportation.

different background.

regulated

fed. prov. mun. gov.

- 10 yrs.

Care about community people

③

- 10 Yrs freight trans - racket, Speed crossings
- Contaminants. - no benefit
- going through
- blessed - gift - how to share & use it.
- Saddened to tears - shook Community -
- respect for Council & staff.
- Can use help.
- Set up task force. - residents. - report to council
- mandate - gather ideas & concerns.
- everybody can attend. collect ideas & concerns.
- Work on solutions - width of trail - finance.
- Safety - high way crossing - multi use. skiing etc.
- talk to other communities.

Patawara - Smith Falls.

- Bruce Trail - gone through. talk to them.
- what they did to solve it.
- Man. gov. slb setting up framework. rules.
- let people prosper etc.
- not councils resp. to solve all problems.
- people should solve them.
- Council provide a leadership role.

ec. dev. -

- gov. provide. framework - when = profitability
- step too far.
- volunteer - second task force.
- help uncover bus. opportunities associated  
= traffic

~ Origin to council case related view of issues.  
- ec dev task force.

to volunteer his time. - sure there are others.

Brace trail. - unfair comparison - not motorized.

- did have huge issues.

we were member of ec dev. - floundered.

- D.R. La Hills

- nobody could come to terms. - compact.

- visitor's centre - museum.

Whitney trail. - a lot flatter. wide.

horse back.

rise. main concern.

- how do we get motorized to all purpose?

- value. in that task force.

has to listen to everybody

15' room on both sides.

if idea from other places.

5

other funding.

motorized. - Seasonally - night / day.

Why all of sudden now.

Safety issues. We do it consciously.

- slow down. - kids.

- most people don't do it.

Ashport Rd. - speed.

People = good ideas

Consult = OFSC. ATV clubs.

Signs - slowing down. - education - signage.

Shift in culture.

Berry. going through fields.

actively had club machines. setup as wardens.

Snowmobile. - OFSC patrol people. stand = vests.

only take a weekend. - each weekend.

resolve issues. - it can work. 1st person from Toronto/Ottawa.

- weekend warriors.

rest steps

taskforce.

- Community - Every resident will have ability to share
- will live by it.
- will be people who are not happy.

timeline. from county.

residents of Ham

- then county.

have a plan to move forward!

Change is inevitable - Some changes are quiet.  
- take good = bad.

stuff.

- terms of reference - help shape it & define it.

let people from Toronto/Ontario
