Renfrew County and
District Health Unit

"Optimal Health for All in Renfrew County and District"

County of
Renfrew
Ontario . Canada

Experience Our History, Share Our Future!

For Immediate Release

(Pembroke, Ontario, February 4, 2020)

County of Renfrew and Renfrew County and District Health Unit Board of Health met today to discuss a collaborative approach to Public Health modernization. Decisions will be made in the best interest of residents of Renfrew County and District to ensure equitable access to health services. The goal is to maintain a local perspective on health service delivery including public health.

"County of Renfrew and Renfrew County and District Health Unit are encouraged and have had an incredibly productive meeting, we are looking forward to future supportive and collaborative meetings and are confident we will find a way forward," says Janice Visneskie Moore, Board of Health Chair.

County of Renfrew and Renfrew County District Health Unit need to consider how we deliver public health services to ensure these services continue to meet the evolving needs of people across Renfrew County, City of Pembroke, South Algonquin Township, and Algonquin Park.

Warden of the County of Renfrew, Debbie Robinson shared, "Today's successful meeting brought together two organizations that serve the health needs of our residents in Renfrew County and District and is working towards a collaborative approach to engaging the Province on the modernization of public health."

Subject: Resolution - Environmental Awareness and Action

Follow Up Flag: Follow up
Flag Status: Flagged

Good afternoon,

The Town Orangeville passed the following resolution at its January 13, 2020 Council meeting:

13.1 Councillor Peters – Environmental Awareness and Action

Resolution 2020-14

Moved by Councillor Peters
Seconded by Councillor Post

That the Town of Orangeville supports continuation of the programs and services of the CVC, both mandatory and non-mandatory, and that no programs or services of the CVC or other CAs in Ontario be “wound down” at this time; and

That the Minister of the Environment, Conservation, and Parks give clear direction as to what programs and services are considered mandatory and non-mandatory and how those programs will be funded in the future; and

That the Minister of the Environment, Conservation, and Parks recognizes the strong and positive Provincial role Conservation Authorities (CAs) play in flood risk reduction programs and reinstates funding to the CAs of Ontario; and

That this resolution be forwarded to the Minister of the Environment, Conservation, and Parks, Premier Doug Ford, MPP Sylvia Jones, the Association of Municipalities of Ontario, the Credit Valley Conservation Authority, Conservation Ontario, and all Ontario municipalities.

Carried.

Regards,

Tracy Macdonald | Assistant Clerk | Corporate Services

Subject: Renfrew County search and rescue team
Attachments: SAR intro letter .pdf; Untitled attachment 00004.html

Follow Up Flag: Follow up
Flag Status: Flagged

Please find attached a letter regarding my intention to start a volunteer ground search and rescue team to cover the Renfrew-Nipissing area. The first part of the process is to inform and get written letters of support from emergency services, townships and politicians within the coverage area. Would you please be able to distribute this letter to your fire chief, councillors and anyone else you feel should be included?

Thanks for time and consideration.

James Palubiski

To whom it may concern,

Date: 31/ 01 / 2020

This letter has been sent to you to introduce myself and provide a brief synopsis as to why I'm contacting you. That being, my interest in starting a volunteer search and rescue team that would serve the Renfrew and Nipissing County areas.

My name is Jamie Palubiski and I live near Killaloe ON. After 31 years, I retired from the Toronto Fire Service a year ago. I was a Captain since 1996, and during much of my time there, I was assigned to a technical rescue team including high angle, water, trench and confined space rescue, among others. My father was born and raised in Barry's Bay and I have been coming to this area my whole life. Retiring up here was inevitable.

After hearing about the body of a man that had been missing for four years was found by hunters in the Killaloe area, as well as the search for the girls in Algonquin park last summer, I looked into the need for a group of trained volunteers to assist police in searches. With a growing part of the public venturing out into the wilderness with ATVs, canoes, and hiking, the likelihood of increasing numbers of future missing persons in the area is certain.

My personal search into this project included talking to some of the area Fire Chiefs, and making contact with Kevin Gill, whom is the Eastern Ontario Director for OSARVA; Ontario Search and Rescue Volunteer Association. Everyone I made contact with was quite agreeable that there is a need for such a team in this area.

OSARVA teams are insured and registered as a not-for-profit organization. Team members are trained and certified to an O.P.P. Basic Searcher Level. Also first aid, CPR, compass and map reading and other pertinent courses. Training is standardized across OSARVA teams so that multiple teams can be sent to the same search, and work proficiently together. Team members are completely volunteer and receive no payment if utilized. OSARVA teams also collaborate and train with other agencies in their area, sometimes by setting up emergency / disaster preparedness mock scenarios. A team, once formed, must meet all the basic certifications and have trained for a full year together before being considered operational.

In order to begin this quest, I must have letters of support for the project from area police detachments within the jurisdiction, EMS, fire, municipal councils, area community groups and the local MP and MPP. The letters are to confirm that such a team would be an asset to the area. The letter should also state that we would have support in way of setting up cross training with other agencies, support with having access to areas for training and support to do fundraising at community events etc.

I thank you for taking the time to consider this letter and I hope you are in agreement that this is a worthy vision.

Please feel free to contact me with any questions or to set up a meeting by phone or email. If you have any questions regarding OSARVA, direct questions to Kevin Gill.

January 24, 2020

To: All Ontario Municipalities

Re: Ontario Power Generation's Deep Geologic Repository Project

At its meeting held on January 20, 2020, Sarnia City Council considered the attached motion submitted by Councillor Margaret Bird with respect to the proposed Deep Geological Repository Project and adopted the following resolution:

That Sarnia City Council support the halting of the construction of the Deep Geological Repository, in the Bruce Peninsular, so that less dangerous solutions can be found for the longer storage of nuclear waste; and

That Sarnia City Council instruct the Sarnia City Clerk to notify all 444 Ontario Municipalities, through AMO, by January 24th., 2020, of our objective; and

That the Sarnia City Clerk send a copy of our resolution to the County of Lambton Clerk, along with all the County Councillors, asking for their endorsement.

Sarnia City Council respectfully seeks your endorsement of this resolution. If your municipal council endorses this resolution, we would request that a copy of the resolution be forwarded to the following:

Honourable Jonathan Wilkinson, Minister of the Environment and Climate Change
ec.ministre-minister.ec@canada.ca; and

City of Sarnia, City Clerk's Office
clerks@sarnia.ca

Sincerely,

Dianne Gould-Brown

Dianne Gould-Brown
City Clerk

Attachment: Motion submitted by Councillor Margaret Bird

MOTION

I am asking for:

a) An urgent resolution of Council to support the halting of the construction of the Deep Geological Repository, in the Bruce Peninsular, so that less dangerous solutions can be found for the longer storage of nuclear waste.

b) To instruct the Sarnia City Clerk to notify all 444 Ontario Municipalities, through AMO, by January 24th., 2020, of our objective.

b) For the Sarnia City Clerk to send a copy of our resolution to the County of Lambton Clerk, along with all the County Councillors, asking for their endorsement.

If you have any questions, please do not hesitate to contact me.

Many thanks.

Kind Regards,

Councillor Bird

Subject: Emplois d'été Canada 2020 – Appel de demandes / Canada Summer Jobs 2020 – Call for Applications

Follow Up Flag: Follow up
Flag Status: Flagged

Emploi et Développement social Canada a lancé son appel de demandes annuel pour Emplois d'été Canada (EÉC) 2020 aujourd'hui. Nous accepterons les demandes entre le 30 janvier et le 24 février.

EÉC 2020 - Êtes-vous prêt ?

Êtes-vous prêt à :

- offrir des expériences de travail de qualité aux jeunes ?
- offrir aux jeunes des possibilités de développer et d'améliorer leurs compétences ?
- répondre aux priorités nationales et locales afin d'améliorer l'accès au marché du travail pour les jeunes qui font face à des obstacles particuliers ?

Si oui, alors lisez le [Guide du demandeur](#) et soumettez une demande !

Rappelez-vous : le Guide du demandeur contient des informations détaillées sur la manière de démontrer la qualité des emplois proposés. Il vous aidera à :

- inclure vos plans de supervision et de mentorat,
- démontrer votre environnement de travail sécuritaire, inclusif et sain
- démontrer de quelle façon vous êtes prêts à offrir aux jeunes des occasions d'acquérir les compétences professionnelles dont ils ont besoin.

Merci d'avoir présenté une demande à EÉC l'année dernière. Si vous avez des questions, n'hésitez pas à nous contacter.

Faites une demande maintenant

Visitez : [un bureau de Service Canada](#)

Employment and Social Development Canada opened its annual call for applications for Canada Summer Jobs (CSJ) 2020 today. We will be accepting applications between January 30 and February 24.

CSJ 2020 – Are You Ready?

Are you ready to:

- create quality work experiences for youth?
- provide youth with opportunities to develop and improve their skills?
- respond to national and local priorities to improve access to the labour market for youth who face unique barriers?

If yes, then read the [Applicant Guide](#) and submit an application!

Remember: The Applicant Guide has detailed information on how you can demonstrate the quality of your proposed job placement. It will help you to:

- include your supervision and mentoring plans,
- demonstrate your safe, inclusive and healthy work environment
- show how you're ready to provide youth with opportunities to develop the job skills they need.

Thank you for applying to CSJ last year. If you have any questions, please don't hesitate to contact us.

Dear Crystal Fischer:

**Re: Notice of Study Commencement
Detail Design Study and Class Environmental Assessment
Highway 17 Culvert Improvements, County of Renfrew
G.W.P. 4178-15-00**

The Ministry of Transportation Ontario (MTO) has retained McIntosh Perry Consulting Engineers Ltd. (McIntosh Perry) to carry out a Detail Design and Class Environmental Assessment for the replacement, rehabilitation and/or cleanout of 141 culverts on the Highway 17 corridor from the west limits of the geographic Township of Clara to the east limits of geographic Township of Buchanan, in the County of Renfrew. A study area key map is attached to illustrate the culvert improvement locations along Highway 17. The proposed work is anticipated to take place in 2020 and 2021, pending funding and approvals.

The detail design is following an approved planning process under the *Class Environmental Assessment for Provincial Transportation Facilities (2000)* for a Group 'C' project. McIntosh Perry is documenting existing conditions and sensitivities of the study area to develop environmental protection strategies, design elements, mitigation measures and construction/maintenance constraints as required for a Group 'C' project. This will include an assessment of potential impacts of the highway improvements on the study area environment and address any concerns raised during the consultation process. The process and results will be documented in an Environmental Screening Document (ESD). There are no anticipated highway closures associated with the culvert replacements/rehabilitations. However, temporary traffic delays may result from lane reductions associated with the proposed undertaking.

We would appreciate receiving any comments or questions you may have regarding the project by February 27, 2020. All information / comments received will be maintained on file for use during the study and may be included in study documentation. Any comments or questions can be directed to one of the following team members:

Fred Dean's 2020 "User Friendly" Webinars

Webinar 20-1 Taking the Mysteries out of Meeting Procedures, Part 2

In response to requests for a follow up to last year's webinar, this second meeting series webinar is designed to assist clerks, deputies, CAOs, managers and staff in maximizing techniques for effective council & committee meetings. It is not essential that you participated in the 2019 webinar. Topics will include –

- Dealing with difficult members of council
- Reconsideration
- Procedure By-law nuances
- Amend or Repeal?
- Pros & Cons of Virtual attendance
- Q & A ... and more

Thursday March 26, April 2, 9 & 16 from 11:00 to 11:45

Taking the Mysteries out of Writing and Speaking to Council

This four week Webinar is devoted to giving you the writing and presentation skills as a manager to provide the guidance to council that will allow for effective decisions. What are the most effective techniques to develop high quality reports? It will also explore how verbal reports should be delivered. What are winning techniques to answer questions at a council meeting?

Thursday May 7, 14, 21 & 28 from 11:00 to 11:45

Basics for New Members of Council

This is a unique opportunity to provide a member of council with training on the fundamentals of municipal government. It is also designed to assist committee chairs and local board members. Each session is two hours in length at a time mutually agreed upon. There will be a maximum of 5 participants. It will be interactive with the members being able to have their questions answered. Topics will include –

- Roles and responsibilities of members, the head of council, committee members and the public
- Meeting procedures
- Personal responsibilities
- And more...

Whether a member has recently been appointed or elected to council since the general election or is someone who is looking for assistance in fulfilling their role on council, this programme will enhance their knowledge base.

No hassles or costs of travel. Spend time with Fred Dean; participate and learn in your office or any convenient location with a tablet or phone.

Coffee & Conversation Online

I have conducted a number of these sessions in person in previous years. This year we are taking the format and putting it on-line. If you are an administrator I invite you for coffee & conversation with me and other municipal officials. These two sessions will each be limited to a maximum of 10 people and will be interactive with everyone on-line and participating. Let's talk about municipal issues, challenges and changes. Bring your questions and comments. And you will have to bring your own coffee!

Join the Conversation

Thursday March 26, April 2, 9 & 16 from 1:00 to 2:00

Thursday May 7, 14, 21 & 28 from 1:00 to 2:00

Fred Dean is a municipal coach and former municipal solicitor with extensive experience. He has delivered numerous orientation and councillor training sessions across Ontario. He has presented workshops and webinars to municipal administrator across the province for years.

"User Friendly" Webinars means:

- No hassles
- Participate & learn from a location convenient to you
- No time & travel costs
- Participate with your colleagues & learn together
- If you miss a live webinar you will be able to see and hear the recording at a later date, convenient to you.
