Minutes

Wednesday April 14th, 2023– 3:00 p.m.

1. Roll Call:

Committee Members: Glenn Stewart, Bonnie Stewart, Deborah Froehlich

Council Reps: Deputy Mayor Rachel Richer

Chairperson: Councilor Chris Dowser

Staff: Stephany Rauche

Absent: Lexi Rivett

Guests: Paul Sarrazin

Adoption of Agenda:

Moved by: Bonnie Stewart and Seconded by: Deborah Froehlich

Be it resolved that the Agenda for April 14th, 2023 meeting be accepted as presented.

Adoption of Previous Minutes:

Moved by: Glenn Stewart

Be it resolved that the meeting Minutes for March 7th 2023 be accepted as presented.

2. Unfinished Business:

I. St-Patrick's Day

Very successful event, the decorations turned out great. Next year we would assign volunteers for the next day to clean up. Pre-sale tickets only for next year. The committee served 85 people, and had to turn away a few people. The committee would like to reconsider the price of tickets for next year, most of the supplies were donated. The committee believes that if the items were purchases it would cost approximately \$250.00 for food supplies. Tickets sales could go up to \$15.00-\$ 20.00 per ticket for next year.

II. Canada Day Committee

Rachel will ask 86 Bistro if they are available to cater and able to provide pricing. Chris will make some calls about potentially sourcing food trucks. Rachel has some idea of fundraising games. Staff will advertise in search volunteers again, Bonnie will still volunteer to pick up supplies if need be. Glenn and Bonnie will talk about bringing their food truck to Old Mackey Park for Canada Day. Chris has volunteered to set off the fireworks at dusk.

III. Mother's Day Breakfast- Cancel Mother's Day and Father's Day are cancelled.

IV. Dish washer

In the future, we would get members to research this information.

3. New Business

I. Ball Tournament

May 27th, and June 10th 2023 are tentative date. Paul will call back about the date to confirm. 6- 8 teams. They would like to have the bar opened and would like to have the outdoor extension for the bar as well. Would like to use the BBQ's, they would bring their own food, just hot dogs and hamburgers. They will look after the chalk and the balls, would require the line marker from the Township. Will be starting at 8:00 am and will end at 6:00 pm. Will have to move one dug out, have the extra balls out just in case. Paul will send Stephany the advertisement and will ask to have it posted on Facebook. Would like to have coffee and tea provided in the hall rental.

4. Financials –St-Patrick's Karaoke, report attached.

5. Events-

Bartender: Roseanne Boudreau
RAC Rep: Lexi Rivett
- **May 27 or June 10, 2023**
Bartender:
RAC Rep:

6. Questions and Answers:

Chris: wondering if the committee would be interested in setting up a Facebook page just for RAC.

Darts: We have concerns with safety, we would have to think about making portable boards. This should be brought to council's attention. Maybe a game night. Winter games, the committee can think about this for a few months and will bring it back for discussion.

Adjournment: This meeting adjourns on April, 14, 2023

Moved by: Glenn Stewart Seconded by: Deborah Froehlich

Be it resolved that this meeting adjourn at 4:20 p.m. to meet again May 9th, 2023.

Area Members of Provincial Parliament
Sent via email

Dear Area Members of Provincial Parliament:

Re: Councillor J. Erb Notice of Motion

Please be advised that the Council of the Regional Municipality of Waterloo at their regular meeting held on April 19, 2023, approved the following motion:

WHEREAS the Municipal Elections Act requires all individuals wishing to be a candidate in a municipal or school board election to file Nomination Paper - Form 1 with the municipal clerk;

AND WHEREAS the Municipal Elections Act requires all candidates who sought election to a municipal council or school board to file Financial Statement – Auditor’s Report Candidate – Form 4 with the municipal clerk;

AND WHEREAS Form 1 requires candidates to provide their qualifying address;

AND WHEREAS Form 4 requires candidates to list the name and home address of any donor contributing over \$100.00

AND WHEREAS the Municipal Elections Act specifies that these documents are not protected by the Municipal Freedom of Information and Protection of Privacy Act, and requires the municipal clerk to make Form 4 available on a website;

AND WHEREAS there has been concern expressed about those who hold public office and those who support them that they have been the subject of unnecessary attention and excessive scrutiny;

AND WHEREAS the requirement to publish the personal home address of donors to specific candidates may discourage individuals from

engaging in the democratic process to elect municipal and school board politicians.

THEREFORE, BE RESOVLED THAT the Regional Municipality of Waterloo calls on the Minister of Municipal Affairs and Housing for the Province of Ontario to protect the privacy of candidates and donors by removing the requirement for their street name, number and postal code to be listed on publicly available forms.

AND FURTHER THAT for verification purposes, the addresses of all candidates and all donors over \$100 be submitted to the municipal clerk on separate forms that are protected by the Municipal Freedom of Information and Protection of Privacy Act and will not be published.

AND FINALLY, that this resolution be forwarded to the Area Members of Provincial Parliament, the Association of Municipalities of Ontario, the Association of Municipal Clerks and Treasurers of Ontario, the Ontario Public School Boards' Association, the Ontario Catholic School Trustees' Association, and all Ontario municipalities.

Please accept this letter for information purposes only. If you have any questions or require additional information, please contact Rebekah Harris, Research/Administrative Assistant to Council, at RHarris@regionofwaterloo.ca or 519-575-4581.

Dear Chief Administrative Officer:

Re: **2024 Municipal Policing Billing Statement Property Count**

Please find below your municipal property count that has been provided to the OPP by the Municipal Property Assessment Corporation (MPAC).

The property count data is based on the 2022 Assessment Roll data delivered by MPAC to municipalities for the 2023 tax year with adjustments based on the requirements defined in O. Reg. 267/14 of the Police Services Act (PSA). The property counts will be used by the OPP to help determine policing costs in the 2024 Annual Billing Statements.

Municipality	Household	Commercial & Industrial	Property Count
The Townships of Head, Clara and Maria	354	15	369

The Household count is reflected in your 2022 Year-end Analysis Report 5 (Household count), which you receive annually from MPAC, with adjustments to exclude Canadian Force Base (CFB) counts and timeshare units. The Commercial and Industrial counts reflect properties having designated Realty Tax Class and Realty Tax Qualifiers (RTC/RTQ) while excluding properties with structures such as towers, billboards, wind turbines, solar panels, oil or gas wells, international bridges or international tunnels. Please find the specific details on <http://www.opp.ca/billingmodel> (search for Property Count Definition document).

Please review the count for your municipality, considering the requirements defined in O. Reg 267/14, and if you continue to have any questions or concerns about your count, please contact your local MPAC Account Manager Municipal and Stakeholder Relations within 60 days from the issue date on this letter.

Any error in the 2022 year-end municipal property count determined as a result of your review, will be confirmed through MPAC and your 2024 municipal billing will be adjusted for the applicable changes.

Yours truly,

Phil Whitton, Superintendent
Bureau Commander

Bail Reform Resolution

WHEREAS the cost of Policing and Emergency Services in Northern Communities is harming a community's ability to support local Social and Health issues

WHEREAS a small percentage of those affected by an Addiction in the communities of Northern Ontario are committing crimes

WHEREAS many of those committing crimes are not housed in the correctional system, therefore, remain in our communities, often those that do require treatment for their Addiction issue receive none.

WHEREAS some committing crimes become violent, but are released back into the community, due to the negative impacts Federal Bill C75

WHEREAS the Federation of Northern Ontario Municipalities (FONOM) believes that more must be done by the Federal Government on Bail Reform

THEREFORE BE IT RESOLVED THAT the Federation of Northern Ontario Municipalities (FONOM) requests the Federal Government make these Legislative changes

1. Create a Designation of a chronic persistent offender.
2. Allow community impact statements at bail and at bail hearings.
3. Creating reverse onus in bail for all firearms offences.
4. All bail-related gun charges go to the superior court for bail release.

BE IT FURTHER RESOLVED THAT a copy of this resolution be sent to the Prime Minister, Federal Justice Minister, Premier of Ontario, The Attorney General, the Solicitor General, Minister of Infrastructure, Minister of Municipal Affairs, Northeastern MPs and MPPs, Leaders of the Opposition, the Association of Municipalities of Ontario, and the Federation of Northern Ontario Municipalities.

Agenda Number: 15.1.
Resolution Number 23-058
Title: Road Management Action on Invasive Phragmites
Date: Friday, April 21, 2023

Moved by: Councillor Barton
Seconded by: Councillor Lundy

WHEREAS *Phragmites australis* (*Phragmites*) is an invasive perennial grass that continues to cause severe damage to wetlands and beaches in areas around the Great Lakes including Georgian Bay; and

WHEREAS *Phragmites australis* grows and spreads rapidly, allowing the plant to invade new areas and grow into large monoculture stands in a short amount of time, and is an allelopathic plant that secretes toxins from its roots into the soil which impede the growth of neighboring plant species; and

WHEREAS *Phragmites australis* results in loss of biodiversity and species richness, loss of habitat, changes in hydrology due to its high metabolic rate, changes in nutrient cycling as it is slow to decompose, an increased fire hazard due to the combustibility of its dead stalks, and can have an adverse impact on agriculture, particularly in drainage ditches; and

WHEREAS invasive *Phragmites* has been identified as Canada's worst invasive plant species by Agriculture and Agrifood Canada; and

WHEREAS the Ontario government has made it illegal to import, deposit, release, breed/grow, buy, sell, lease or trade invasive *Phragmites* under the Invasive Species Act; and

WHEREAS *Phragmites* occupy over 4,800 hectares of land around Lake St. Clair alone, while 212 hectares of *Phragmites* occupy land along the St. Lawrence River. The Georgian Bay Area is particularly affected by *Phragmites australis*, with more than 700 stands along the shorelines and multiple visible stands on the highways and roads that threaten valuable infrastructure and wetland areas; and

AGENDA ITEM NO.:

13.4

MOVED BY SUSAN NELSON

SECONDED BY DANIEL BRUNET

WHEREAS Council has received several communications regarding the historical challenge for woman in politics.

AND WHEREAS Council wishes to support the call for action by going beyond making political statements and constructively add to inspiring positive, meaningful change to this instead.

AND WHEREAS Council recognizes and is proud of the Town of Cochrane's historical and inspiring accomplishments toward this important initiative that has seen our community commit to adopting meaningful change by:

- ✓ Adopting employment equity in 2011
- ✓ Making senior positions of control and power available to woman, such as:
 - o Having the one of only of two female CAO's in the region.
 - o Having the fourteen positions in the Town Hall composed of eleven woman.
- ✓ And by having forty-three percent of it's council composed of woman.

THEREFORE BE IT RESOLVE THAT: the Council of the Corporation of the Town of Cochrane, Ontario, wishes to support the call out to recognize the challenges woman face in politics, while also recognizing the efforts made by its municipality, and all other municipalities, to meaningfully create the change being sought through leading by example.

AND THAT: the Council inspire continued meaningful change by encouraging all municipalities to first recognize (thereby validating) the positive changes they have made, while remaining diligent in continuing to make and inspire the kind of actual change that will lead to even more woman becoming actively engaged in politics.

Resolution: Funding and Support for VIA Rail Service

WHEREAS The Corporation of the City of Stratford supports the National Transportation Policy and Section 5 of the *Canada Transportation Act*, S.C. 1996, c. 10 (as amended), which states in part:

"a competitive, economic and efficient national transportation system that meets the highest practicable safety and security standards and contributes to a sustainable environment, makes best use of all modes of transportation at the lowest cost is essential to serve the needs of its users, advance the well-being of Canadians, enable competitiveness and economic growth in both urban and rural areas throughout Canada. Those objectives are achieved when:

(a) competition and market forces among modes of transportation, are prime agents in providing viable and effective transportation services;

(b) regulation and strategic public intervention are used to achieve economic, safety, security, environmental or social outcomes

(c) rates and conditions do not constitute an undue obstacle to the movement of traffic within Canada or to the export of goods from Canada;

(d) the transportation system is accessible without undue obstacle to the mobility of persons, including persons with disabilities; and

(e) governments and the private sector work together for an integrated transportation system."

WHEREAS the Government of Canada has stated: *"we are serious about climate change" and "smart investments in transit help connection communities We will continue to work with communities and invest in the infrastructure they need today and into the future";*

WHEREAS Abacus data has indicated that Canadians are focused on building transit to reduce congestion and connect communities;

Re: Proposal for a Grant to NRFS

North Renfrew Family Services (NRFS) is a mental health agency that has served North Renfrew for over fifty years. NRFS has a large client base - about 1 in 10 people in the community have been helped by NRFS. This includes many residents of Head Clara and Maria. Two NRFS counsellors are available 5 days per week, either by appointment or on a walk-in basis (available to all Renfrew County residents on Wednesdays afternoon).

NRFS annual budget is approximately \$270,000. About 50% of its revenue comes from private donors. Other major sources of revenue are the provincial government (18%), local municipal government (6%), United Way (8%), LINH and Deep River Hospital (14%). Although its client base has been increasing especially after COVID-19, NRFS's revenue has not kept up with the increased demand for its services. Note that NRFS does not charge a counselling fee but encourages its clients to donate.

The counselling services provided by NRFS include crisis intervention, advocacy, and support related to:

- Relationship breakdown
- Family Violence
- Alcohol and Drug addiction
- Violence against Women
- Trauma, Grief and Stress
- Suicide Ideation
- Personal and emotional difficulties
- Past and present sexual abuse
- Youth-Support and Crisis

NRFS respectfully request that you consider joining local municipalities and businesses that annually support NRFS (e.g. Tim Horton's \$8000; Valu-Mart \$7000, Town of Deep River \$20,000, Laurentian hills over \$5000, and Head, Clara Maria \$1500) by providing financial support for our ongoing counselling service . You can contribute by cheque (sent to PO Box 1334 Deep River) or e-transfer (office@nrfs.ca). A tax receipt will be sent to you promptly.

Dear Crystal Fischer - CEMC:

Emergency Management Ontario (EMO) is proud to support your efforts to deliver on our common mission to ensure Ontarians are safe, practiced and prepared before, during and after emergencies.

The Emergency Management and Civil Protection Act (EMCPA) requires each municipality to develop and implement an Emergency Management (EM) program that includes:

- Municipal hazard and identification risk assessment;
- Municipal critical infrastructure list;
- Municipal emergency plan;
- Program By-law;
- Annual Review;
- Annual training;
- Annual exercise;
- Public education program;
- An Emergency Operations Center;
- A Community Emergency Management Coordinator;
- An Emergency Management Program Committee;
- A Municipal Emergency Control Group (MECG) and;
- An Emergency Information Officer.

Emergency Management Ontario (EMO) assists municipalities by making available our Field Officers and other resources to provide advice and guidance, deliver training, participate in exercises, and other advisory services including annually advising municipalities on achieving their EMCPA requirements.

Thank you for sharing your EM program related information and the effort undertaken to do so. Upon review of the documentation submitted, EMO is pleased to advise that our assessment indicates that your municipality has satisfied all thirteen (13) program elements required under the EMCPA 2023.

Congratulations on your municipality's efforts in meeting your EMCPA requirements in

2023.

You may also be interested in learning of the following information for further context:

- 398 of 444 municipalities sought EMO's advice on their progress to meet their EMCPA requirements in 2022, of which 393 were advised they appeared to satisfy their EMCPA requirements.
- Of the 5 municipalities who were advised they did not appear to meet all 13 program elements required under the EMCPA, the most prevalent reasons were:
 - Not conducting an annual exercise as prescribed;
 - CEMC did not complete training;
 - Not completing the annual MECG training; and/or
 - Not completing an annual review of their EM program.

There is nothing more important than the safety and wellbeing of our families and loved ones, and the importance of ensuring that your municipality is as prepared as possible for any potential emergency cannot be understated.

Once again, EMO is here to assist municipalities in achieving their EMCPA requirements. For further information or if you have any questions or concerns about this letter, please contact our Field Officer assigned to your Sector; their contact information is below.

Provincial Day of Action on Litter - (May 9, 2023)

Minister, MECP (MECP) <Minister.MECP@ontario.ca>

Tue 2023-05-02 2:47 PM

To: Minister, MECP (MECP) <Minister.MECP@ontario.ca>

Good afternoon,

Below please find an email that was sent to your Head of Council.

Good afternoon,

Ontario is gearing up for the fourth annual Provincial Day of Action on Litter, taking place on Tuesday, May 9, 2023. Ontario's annual Day of Action on Litter encourages individuals, students, municipalities and businesses across the province to work together to raise awareness about the impacts of litter and waste and take part in a litter cleanup.

We hope you received our "save the date" email — we look forward to your participation in the 2023 Day of Action.

To help make this year's Day of Action a success, we are seeking your support with the following activities:

1. Leading up to the Day of Action, promoting public participation in a cleanup on Tuesday, May 9 or on the weekends surrounding the Day of Action on Litter, and educating on the impact of litter and waste using your communications channels. Please see our digital toolkit for sharable content – we will continue to add content leading up to the Day of Action on Litter.
2. Hosting a litter cleanup on Tuesday, May 9, 2023, or on the weekends surrounding the Day of Action, and inviting the public, volunteers, employees, or members to participate.
3. Sharing and promoting use of the Litter Cleanup Guides and Litter Cleanup Reporting Form.
 - Our Litter Cleanup Guides include information on organizing a safe, successful litter cleanup and a form for participants to track what they collect during their cleanup. Please note the cleanup guides notify participants of potential municipal requirements, such as: confirming whether a permit is required to clean up a certain area or seeking a litter disposal method.
 - Our Litter Cleanup Reporting Form is where participants can submit information about their cleanups with us. This information will help us better understand litter in our environment and may help inform future government decision making.
4. On the Day of Action on Litter, posting to your social media accounts to officially recognize the day, using the hashtag #actONlitter.

The Ministry of the Environment, Conservation and Parks digital campaign to promote the 2023 Day of Action on Litter will launch soon — please keep an eye out for sharable social posts on our social media accounts (@ONenvironment on Facebook, Twitter, LinkedIn and Instagram) and follow the #actONlitter hashtag.

We know there is still more to do to reduce waste and litter and keep our land and water clean and healthy, and that Ontarians will do their part to make this happen. In past years our posts reached audiences of up to 3.1 million — help us continue to build awareness and encourage action!

If you have any questions, please reach out to actONLitter@ontario.ca or visit www.ontario.ca/actONLitter for more information.

Thank you for your support in working together to keep our province clean.

Minister of the Environment, Conservation and Parks

Bonjour,

Veillez trouver ci-joint un courriel qui a été envoyé à votre chef de conseil.

Bonjour,

Le gouvernement de l'Ontario se prépare à célébrer pour une quatrième année la Journée provinciale d'action contre les débris, qui aura lieu le mardi 9 mai 2023. La Journée d'action contre les débris est soulignée annuellement en Ontario pour encourager la population, les communautés étudiantes, les municipalités et les entreprises de toute la province à agir ensemble pour sensibiliser leur entourage aux répercussions des débris et des ordures dans les milieux naturels et à participer à une initiative de ramassage des débris.

Nous espérons que vous avez reçu notre invitation à prendre date de l'événement et que vous vous joindrez à nous cette année.

Pour faire de la Journée d'action 2023 un succès, nous sollicitons votre soutien pour les activités suivantes :

1. D'ici la Journée d'action, utiliser vos canaux de communications pour inviter le public à participer à une initiative de ramassage des débris, le mardi 9 mai ou pendant les week-ends entourant la Journée d'action contre les débris, et pour diffuser des messages de sensibilisation aux répercussions des débris dans les milieux naturels. Veuillez consulter notre [boîte à outils numériques](#) pour du contenu à partager – davantage de contenu sera ajouté d'ici la Journée d'action contre les débris.
2. Planifier une initiative de ramassage des débris le mardi 9 mai 2023 ou pendant les week-ends entourant la Journée d'action et inviter le public, des bénévoles, vos employés ou vos membres à y participer.
3. Partager et promouvoir l'utilisation du [Guide pour le ramassage des débris](#) et le [Formulaire de rapport sur le ramassage de débris](#).
 - Le [Guide pour le ramassage des débris](#) présente divers renseignements pour planifier une activité de ramassage de débris sûre et réussie, ainsi qu'un formulaire permettant aux participants de noter ce qu'ils ont collecté au cours de l'activité.

Veillez noter que le Guide rappelle aux participants de tenir compte, le cas échéant,

Dear Sir/Madam:

Barbed wire hair trap surveys for bear population information

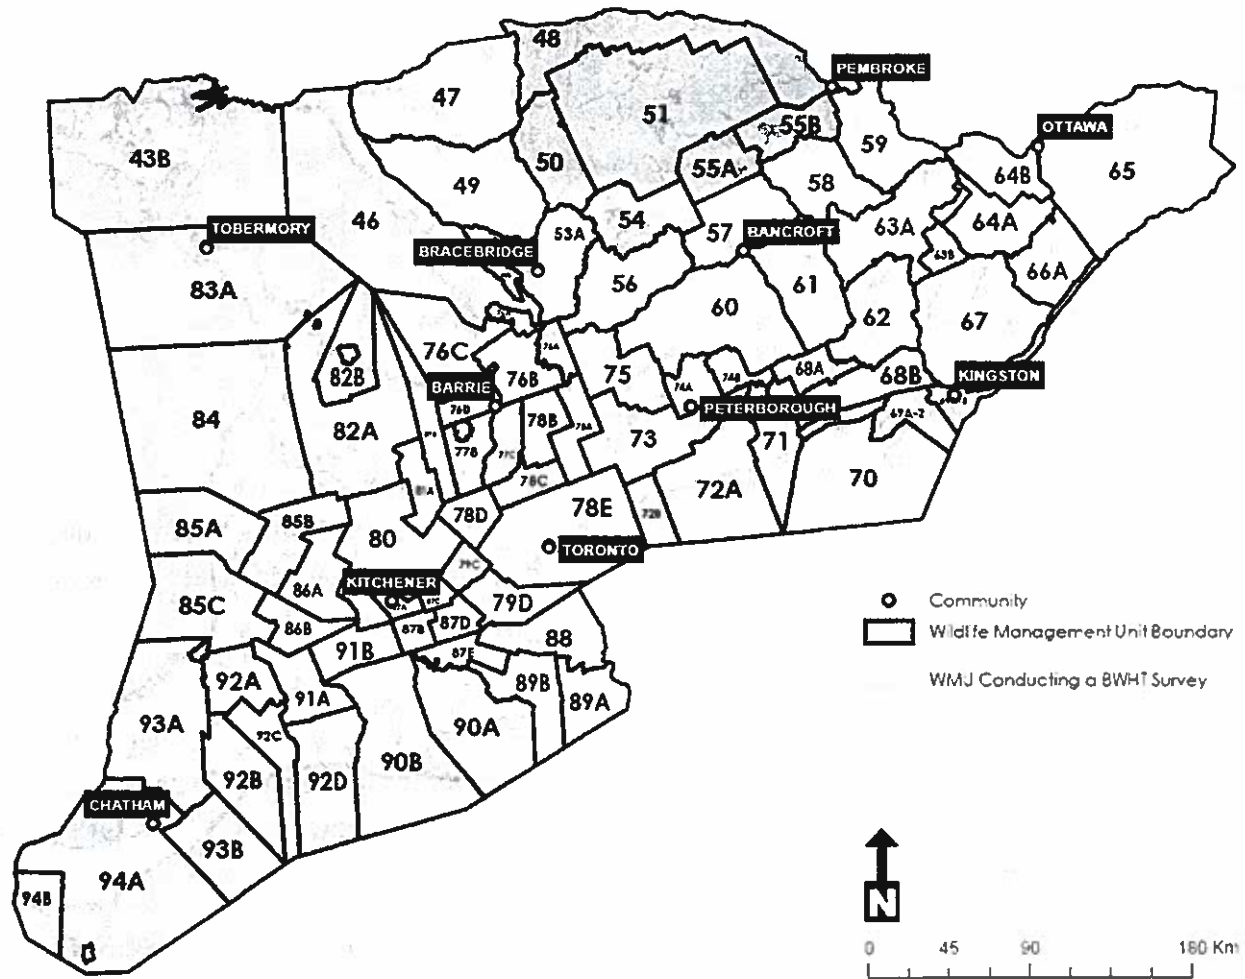

Beginning this year (2023) The Ministry of Natural Resources and Forestry (MNR) will be conducting ongoing barbed wire hair trap (BWHT) surveys to monitor bear populations within Wildlife Management Units (WMU) that have active bear hunts. Your Bear Management Area (BMA) is in or near a WMU selected for a BWHT survey this year.

The bear hair trapping methodology, used broadly across North America, was introduced in Ontario in 2004 and is considered the most robust method for estimating black bear density. Ministry staff will be setting up survey stations with canned sardines to attract black bears. When the bear comes to the station, they brush past a strand of barbed wire, which captures a small hair sample. The bear is not injured during this process.

Ministry staff return to each station to collect the hair samples once a week for five weeks. The hair samples are submitted for DNA analysis to determine the sex and to identify individual bears. From this analysis we can determine how many bears are visiting the site. This data is used to estimate the density of bears in an area surrounding the BWHT survey line. The information is then used to make density estimates at the WMU and more broadly at a landscape level.

Safety

Safety of the public, your clients, and our staff is a priority for MNR. We want to ensure that you, hunters, and members of the public are aware that ministry staff are working in the area. The following are the general locations of our BWHT lines. We want to share this with you, so you are aware of the survey and duration of the sampling being conducted.

The surveys for 2023 are planned for the following WMUs:

- In Southern Ontario, in Wildlife Management Units 48, 50, 51, 54, 55A and 55B.
- In Northeastern Ontario, in Wildlife Management Units 35 and 38.
- In Northwestern Ontario, in Wildlife Management Units 15A and 15B.

Maps of planned areas are available upon request for each region, in English or French.

The beginning and end of survey lines will be marked with large signs, as well as a smaller sign at each sampling station. Ministry staff will be wearing brightly coloured safety clothing while working in the area.

How Can You Help?

Our BWHT project analysis relies on the assumption that bear numbers within the study area don't change during the survey. This is difficult to control in a wild population, and even more so when an active hunt is underway. To help determine which bears from BWHT project trap lines are removed due to hunting, we ask that you continue to submit two premolar teeth from each bear killed during the spring and fall bear hunting seasons.

In addition to using these teeth for aging purposes, we can now extract DNA and determine if these individuals were present in our BWHT surveys. Please see the attached information sheet explaining how teeth can be submitted for analysis.

To age a tooth, a thin section is taken from the root of each tooth. The section is then stained to make it easy to see the rings of the tooth. Just like rings in a tree, the rings visible on the root of the tooth can be counted to indicate the age of the bear.

If you have any questions about this survey, please contact: Katrinna McCann – 613-401-3608

Thank you for your contribution to ongoing efforts in assessing black bear populations in Ontario.

Hunters: You Can Contribute to Ontario's Understanding of the Bear Population

Submit both premolar teeth from each black bear you harvest to provide vital data used by Ontario to make sustainable population management decisions.

Ontario needs your help

Successful black bear hunters can assist the Ministry of Natural Resources and Forestry (MNRF) to determine the age structure of local bear populations. This information provides data to assist the ministry to sustainably manage the species.

How to extract and send us teeth

Both premolar teeth should be extracted shortly after the animal has been harvested, while the jaw is still pliable.

The first premolar is a small, single-rooted, peg-like tooth located just behind the canines, on the top and bottom jaws.

To remove the tooth, push the blade of a knife down along all sides of the tooth between it and the gum.

Gently loosen the tooth by rocking it back and forth using the canine for leverage, then carefully remove the tooth using pliers. Care should be taken when extracting the tooth to ensure the root is not broken.

Please retain a small amount of the flesh around each tooth. Air dry the sample so that it is not wet to the touch and place them in a sealed paper envelope.

To submit teeth to us:

Mail the teeth you collect immediately to:

Big Game Harvest Assessment Program,
Natural Resources Information Section,
Ministry of Natural Resources and Forestry
300 Water Street, 2nd Floor, North Tower,
Peterborough, ON, K9J 3C7

Your mailing envelope should have:

Both premolar teeth sealed in a sealed paper envelope and a note with:

1. Your name;
2. Your mailing address;
3. Your Ontario Outdoors Card number;
4. The date the bear was shot;
5. The sex of the bear; and,
6. The Wildlife Management Unit (WMU) number where the bear was shot.

Ontario Bear Hunter Crest

In return for your support, an Ontario Bear Hunter Crest will be mailed to the home address you have provided. MNRF will also mail you information about the age of the bear(s) you submitted teeth for, usually within six months of receiving their teeth and information.

More information

For more information, please contact the MNRF office in the area you will be hunting, or your black bear hunting service provider.

Re: Legislative Amendments to Improve Municipal Codes of Conduct and Enforcement

Dear Mr. Trudeau

At its Council Meeting of May 9, 2023, the Council of the Corporation of the City of Cambridge passed the following Motion:

WHEREAS, Ontario's Big City Mayors (OBCM) have passed a motion that supports the call of the Association of Municipalities of Ontario for the Government of Ontario to introduce legislation to strengthen municipal Codes of Conduct and compliance with them in consultation with municipal governments or in the alternative, OBCM has supported the province ordering Bill 5 for second reading to expedite the matter;

AND WHEREAS the legislation encompasses the Association of Municipalities of Ontario's recommendations for:

- a. Updating municipal Codes of Conduct to account for workplace safety and harassment;
- b. Creating a flexible administrative penalty regime, adapted to the local economic and financial circumstances of municipalities across Ontario;
- c. Increasing training of municipal Integrity Commissioners to enhance consistency of investigations and recommendations across the province;
- d. Allowing municipalities to apply to a member of the judiciary to remove a sitting member if recommended through the report of a municipal Integrity Commissioner; and
- e. Prohibiting a member so removed from sitting for election in the term of removal and the subsequent term of office.

AND WHEREAS OBCM's motion requests that municipalities and their respective Integrity Commissioners be consulted on the development of any regulations related to the proposed legislation;

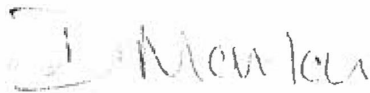

AND WHEREAS OBCM believes that municipal elected officials should be held to account in in this way, it also believes that federal and provincial elected officials should take similar actions to hold themselves to account.

THEREFORE BE IT RESOLVED THAT the Council of the Corporation of the City of Cambridge supports the Ontario Big City Mayor's motion on legislative amendments to improve municipal Codes of Conduct and enforcement.

AND THAT this motion be circulated to Right Honourable Justin Trudeau, Prime Minister of Canada, the Honourable Doug Ford, Premier of Ontario, the Honourable David Lametti, Minister of Justice, the Honourable Steve Clark, Minister of Municipal Affairs and Housing, Kate Manson-Smith, Deputy Minister of Municipal Affairs and Housing, Scott Pearce, Federation of Canadian Municipalities Acting President, Colin Best, President of the Association of Municipalities of Ontario, and all Ontario municipalities.

Should you have any questions related to the approved resolution, please contact me.

Yours Truly,

Dear Ontario Mayors and Councillors,

As you are aware, there is growing **non-partisan advocacy** across this province calling for support of Bill 5- The Stopping Harassment and Abuse by Local Leaders Act - 'The Women of Ontario Say No'. This advocacy was borne out of a situation in Barrie, ON where a councillor was in litigation for sexual harassment while also running for Mayor, and Bill 5 itself is a result of the most appalling behaviour from a sitting councillor in Ottawa where council had no resource but to suspend pay for 90 days, four times.

There is an increasing number of municipalities in support (80 and growing DAILY), recognizing that this gap disproportionately affects women- and affects women in the most unconscionable ways. **Bill 5 was endorsed unanimously by the Ontario Big City Mayors a few weeks ago.** A list of current supporting municipalities can be found at the bottom of our home page [The Women of Ontario Support Bill 5 \(squarespace.com\)](#).

Workplace safety is the foundation to supporting diversity of voice at the decision-making tables. **A working environment free of harassment for all is not a big 'ask' - it is a right.** You may recall the names of two Ontario women, Lori Dupont and Theresa Vince, detailed in this article [Ont. workplace harassment laws change | CBC News](#) Both were murdered in the workplace by co-workers. As a result,

Bill 168 was passed to strengthen Occupational Health and Safety legislation. Bill 5 is a natural progression to ensure health & safety in municipal workplaces for both employees and elected officials.

The Canadian Medical Association says this about workplace harassment "Bullying can cause stress, fatigue, presenteeism, anxiety, burnout, depression, substance abuse, broken relationships, early retirement and even suicide. It can affect performance, self-esteem/self-confidence, absenteeism and teamwork." <https://www.cma.ca/bullying-workplace>

Employers have a legal obligation to ensure psychologically safe workplaces. "A perfect legal storm is brewing in the area of mental health protection at work. This storm brings with it a rising tide of liability for employers in connection with failure to provide or maintain a psychologically safe workplace." Dr. Martin Shain see PDF attachment Workforce Psychological Safety in the Workplace prepared for the Mental Health Commission of Canada.

From an article published in the National Post, Sept 2022 Workplace bullying should be treated as a public health issue | National Post "Multiple high profile incidents of workplace bullying have been in the media over the past few years, from the alleged toxic workplace culture created by former Governor General Julie Payette and the suicide of a Canadian Armed Forces reservist linked to constant harassment by co-workers..." "Like other health issues, the impact of workplace bullying has measurable diagnostic implications and the clustering of adverse physical and psychological symptoms of bullying victims is definable. Multiple studies have shown that it can negatively impact a person's mental health and can even lead to long-term psychological trauma."

Multiple Ontario municipalities have learned the hard way about the lack of tools in the Municipal Act for holding councillors accountable for workplace harassment. Currently the most severe penalty that can be imposed on a municipal councillor is suspension of pay for 90 days. There is no process for removing councillors from office. This advocacy is not about upending our most sacred element of healthy societies- our democracy. **It about protecting the most basic of human rights for women, and all Ontarians. It is understood that that removal would only be pursued in the most egregious of circumstances, and even then, the courts would have to review the evidence and agree before removal would be enforced.** In fact, it is precisely the Bill's due process that has facilitated such rapid support.

There is discourse circulating that this legislation needs other elements. To that end, the legislation is in its infancy. Much of the worthy discussion on this will be captured in Committee and incorporated into regulation, if it passes second reading.

We NEED legislation now to address this shortcoming by amending the Municipal Act & City of Toronto Act to ensure (at a minimum): 1) municipally elected officials are accountable to violence and harassment in the workplace policies 2) there is a process for removal and restriction on re-election in cases where egregious acts of harassment are substantiated.

YOU have been elected to lead in our provincial municipalities and to represent the public's best interest. We are asking you to do just that. Human rights and the fundamental rights of women to work in an environment free of harassment can't wait. We are counting on you.

Sincerely,

Emily McIntosh

Please be advised that during the Regular Council meeting of May 9, 2023 the following resolution regarding the proposed new Provincial Planning Statement (PPS) was carried:

RESOLUTION NO. 2023-293

DATE: **May 9, 2023**

MOVED BY: **Councillor Hirsch**

SECONDED BY: **Councillor MacNaughton**

WHEREAS the goal of increasing housing supply and reducing barriers in planning processes as set out in the recent legislative, regulatory and policy changes, including new provisions from Bill 23, More Homes Built Faster Act, 2022 is welcomed;

WHEREAS the proposed PPS (sections 2.6 and 4.3) would dramatically remove municipal power and renders aspects of the County's Official Plan, and other official plans throughout Ontario inoperative, terminating some local planning autonomy, and directly interfering with municipalities' ability to meet local variation and unique community needs;

WHEREAS the proposed PPS changes that would allow proliferation of lots with protection restricted to specialty crop areas only diminishes the purpose, uses, and integrity of rural and agricultural lands, thereby removing protection and restricting future uses of those lands;

WHEREAS the proposed PPS changes encourage sprawl and rural roadway strip development, rather than more fiscally and environmentally sustainable practices like intensification in established settlement areas; and

WHEREAS the province has announced changes will be proposed to natural heritage (section 4.1) that have yet to be published;

THEREFORE BE IT RESOLVED THAT the Council of the Corporation of the County of Prince Edward urges the province to:

- pause proposed changes to the PPS, particularly regarding natural heritage (section 4.1) and agricultural lands (sections 2.6 and 4.3)

- reinvest trust in the local planning authority of all 444 municipalities, recognizing that each Ontario municipality has unique landscapes, different housing needs and differing visions for local planning matters;

THAT our fellow municipalities be urged to voice their concerns regarding the proposed undermining of local planning authority;

AND FURTHER THAT a copy of this resolution be sent to all 444 municipalities, The Hon. Doug Ford, Premier of Ontario, The Hon. Steve Clark, Minister of Municipal Affairs and Housing; The Hon. Re: Highway Traffic Act Amendments

Dear Ms. Mulrone,

At the Council Meeting of May 9, 2023, the Council of the Corporation of the City of Cambridge passed the following Motion:

WHEREAS speeding on our roads is a major concern in our community,

AND WHEREAS speeding can occur in all areas of our community,

AND WHEREAS barriers and delays to enforcement pose a danger to our community,

AND WHEREAS our municipality has limited resources to implement speed mitigation road design and re-design,

AND WHEREAS our local police service has limited resources to undertake speed enforcement,

AND WHEREAS s.205.1 of the Highway Traffic Act (HTA) provides that Automated Speed Enforcement systems (ASE) may only be placed in designated community safety zones and school safety zones,

THEREFORE BE IT RESOLVED THAT, the City of Cambridge request that the Ontario Government amend s.205.1 of the HTA to permit municipalities to locate an ASE system permanently or temporarily on any roadway under the jurisdiction of municipalities and as determined by municipalities and not be restricted to only community safety zones and school safety zones;

AND THAT a copy of this resolution be forwarded to the Ontario Minister of Transportation, the Ontario Minister of Municipal Affairs and Housing, local area MPPs, the Association of Municipalities of Ontario (AMO) and all Ontario Municipalities.

Should you have any questions related to the approved resolution, please contact me.

Good morning, Your Worship

We are very excited about the possibility of us bringing Peter Kenyon back to Ontario! We had the opportunity in 2019, to take Peter on a bit of a tour of some of Northern Ontario.

For us to make the most of Peter's presence and share his message with as many communities as possible we are seeking community partners. We would like to have HCM be one of the host communities. The responsibility of the host community is to assist with logistics and to promote the event to neighbouring communities to encourage participation. We can iron those details out later. Peter will be coming between September 10 and 22, 2023. I have included a link to a video that you can share with Council.

https://vimeo.com/user53615025?embedded=true&source=owner_name&owner=53615025

We would need a letter of support and willingness to be a host community so that we can apply for government funding to assist with the cost of the Peter Kenyon Tour. I sincerely hope your Council will consider participating!

Please let me know before May 30, 2023.

Thank you,

Report #23/05/18/1001- Municipal Administrator's Report								

Subject: Municipal Administrator Report

Recommendation: That Council receives this report for information in part, and provides direction to staff on the described items below.

Report:

Tax Sale – May 3rd, 2023

The tax sale on May 3rd was successful. The Municipality received six bids with the successful purchaser bidding \$43,300. We are currently completing the process of title and land transfer.

Public Works and Landfill Attendant Recruitment

Bill has been providing training to Kasey, who has been adjusting to the position of Landfill Attendant well. Kasey has also received positive feedback from Public Works in assisting with general maintenance and operations. Bill has offered to assist if needed once he enters into retirement. Kyle Sproule started an eight-week placement with the municipality on May 3rd assisting with public works and landfill duties, and is doing well in his placement.

LaCroix Park

The site prep has been completed for installation of the playground at LaCroix Park, which is expected to be installed mid-June. The area adjacent to the play structure has direct access to the water and should have a barrier installed to prevent vehicles and/or people from accessing the water from that location. Staff would like Council input of the material to be used to install a barrier. There are large rocks at the municipal pit as a result of crushing that could be used to create a barrier. The cost would consist of a contractor hauling and placing them at the site. Another option would be to install fencing which could consist of metal fencing or a wooden post and rope system.

Streetlights

After consulting with MTO, Aultman Rental, Hydro One and a local contractor who may be assisting with concrete base installation for frangible posts, Staff confirmed all project information that MTO requested of the Municipality and requested approval to proceed with issuing permits for all locations except for Dunlop Crescent, on April 17th. On May 5th, Staff finally received a response indicating that additional information regarding the luminaire arms and final pole placement was required as a different engineer had taken over our file and is requesting that information before permitting can be issued. Once again, Staff had to contact Aultman Rental for more information and are trying to work with MTO and Hydro to have the site plans updated. MTO has taken extended periods of time in responding to Staff when requesting clarification or more information on their requests. This has continued to contribute to delays in the project.

On April 5th, Staff requested information from MTO concerning requirements of the Illumination Report that JP2G indicated they may be able to provide. Staff did not receive a response to the inquiry until May 8th and therefore, information regarding the Illumination Report has not been provided from JP2G at this time.

While in discussion with MTO, it was determined that the guiderails near Dunlop Crescent in Deux Rivieres were replaced in late 2022, after the report was provided to Council by McIntosh Perry in consideration of closing the western entrance of Dunlop Crescent.

If MTO deems that the new guiderail system will meet the requirements of being tied into, there is the potential that the entire length of guiderails will not need to be replaced as originally anticipated. Once Staff receives the information from JP2G, detailing the cost and requirements of an Illumination Report, the information will be provided to Council along with confirmation of updated requirements of closing the western entrance of Dunlop Crescent.

Veterans Memorial

Jim Gibson has offered to lead and assist with repairing the grounds surrounding the Veteran's Memorial. Mr. Gibson provided a scope of work to Staff in 2022 for 2023 budgeting purposes which included the following: *"The rock needs to be relevelled as does some of the interlocking brick. The surrounding area needs to be compacted to minimize future settlement. The interlocking brick joints need to be filled with the proper sand and compacted. The joints then need to be treated to prevent weed growth"*. Council committed funds in the 2023 budget for this project and Staff want to ensure Council has had the opportunity for input on the project before it begins. Does Council wish to see anything outside of the scope of work provided by Mr. Gibson?

Miscellaneous Projects

Staff met on May 1st to review all projects and goals for summer. A couple of items that Staff are requesting direction from Council include:

Emergency Management Only Road Signs- would Council like the signs changed back to Minimal Maintenance Only now that the policy has been updated?

Pavillion at Old Mackey Park – Public Works intends on staining the supporting poles of the pavilion this summer as they have worn since installation. There was a bar added onto the structure in the past, would Council like to have it remain as it is or like to have the bar removed?

Signage at Parks and Boat Launches – the large sign coming into Old Mackey Park is weathered and Council may want to consider replacing it. There are multiple signs at all municipal parks and boat launches. Staff recommends removing all signage and replacing it with one uniform sign. Funds were not allocated in the 2023 budget for this project. If Council would like to proceed with removing signage and installing new signage a more detailed report will be brought back to Council with options and costing to be included in the 2024 budget, unless Council would like to proceed with replacement this year, in which case the expense can come from a likely operational surplus.

Outhouses at Stonecliffe

Would Council like to proceed with having an outhouse at the Stonecliffe Boat Launch for the 2023 season?

There was no negative feedback about the trial last year. Funds were allocated in the budget; however, Staff is looking for final approval before proceeding.

Report #23/05/18/1301- Ontario Trillium Foundation Capital Grant

Subject: Ontario Trillium Foundation Capital Grant Funding Opportunity

Recommendation: That Council direct Staff to submit an application for funding under the Ontario Trillium Foundation Capital Grant.

Resolution:

Resolution No.: 23/05/18/002

Moved by Councillor _____ and seconded by Councillor _____

WHEREAS the Ontario Trillium Foundation is accepting applications for funding under the Capital Grant Program;

THEREFORE BE IT RESOLVED THAT Council of the United Townships of Head, Clara and Maria does hereby direct staff to submit an application for funding through the Capital Grant Program to reconfigure the dishwashing area and replace the current dishwashing system.

Background/Executive Summary:

Ontario Trillium Foundation is accepting applications for capital funding starting May 17, 2023.

The program supports projects that:

- Improve access to community spaces, facilities, programs, activities and services, and facilitate community members' full participation in the life of the community;
- Improve and build community spaces;
- Make programs and services better and more efficient; and
- Make better use of technology.

To apply for a capital grant, the Municipality needs to select capital grant outcomes that apply to our project:

- Increase use of their facility or space by expanding functionality, square footage, participation rates and/or usable hours;
- Extend the life of their facility or space through repairs, retrofits or renovations;
- Make their facility or space accessible; and
- Enhance program and service delivery through the purchase of fixed and non-fixed equipment.

The deadline to apply is June 14, 2023. The grant funding may cover the following costs:

- Construction / renovation costs: includes materials and/or contractors.
- Equipment costs: includes fixed and non-fixed equipment.
- Developmental costs: up to 20% of the total grant request can be for developmental costs associated with construction, such as the development of engineering plans, legal fees, or survey costs.

Staff submitted an application for funding under this program last summer to have the dishwasher in the community centre replaced. Our application was not successful due to the high volume of applicants. Staff recommend re-submitting an application this year for the replacement of the dishwasher and re-configuration of the dishwashing area, if required. If Council is interested in such a project, Staff is looking for input on what the outcome should be so that proper quotes can be provided with the funding application.

Any other capital projects that meet the eligibility requirements can be considered as well. Organizations can request funding for multiple capital improvements within one facility or they can request funding for the same capital improvements at multiple facilities.

Please refer to the Ontario Trillium Foundation's website for further information, the link can be found below.

Financial Considerations/Budget Impact:

Applicants can apply for grants of \$10,000 to \$150,000, with no minimum contribution required from the municipality.

Grant term lengths can be 6 or 12 months.

Report #23/05/18/1302- Change of Fees in Building Permit By-law									

Subject: Review and Update of Municipal Building Fee Schedule

Recommendation: That Council pass Resolution No.: 23/05/18/003 to begin the process of increasing the fee for construction and building permits.

Resolution:

Resolution No.: 23/05/18/003

Moved by Councillor _____ and seconded by Councillor _____

WHEREAS the Fee Schedule was last reviewed in 2019;

AND WHEREAS the Chief Building Official deems it appropriate to amend the current building permit fee schedule;

AND WHEREAS a public involvement process is required in order to make changes under the Building Code Act; THEREFORE BE IT RESOLVED THAT Council of the United Townships of Head, Clara and Maria does hereby direct staff to proceed with beginning the process of increasing building permit fees with the fee schedule proposal as presented;

AND FURTHER directs staff to include public consultation on the building fee schedule to take place at the Regular Meeting of Council on June 15th, 2023.

Background/Executive Summary:

The Building Code Act states building department services should generally be self-supporting. Permit application fees can be set at an amount that covers the cost to operate the building department (although the municipality could always choose to set fees at less than full cost recovery of service delivery). Therefore, delivery of building department services should generally not affect the municipal budget. However, the fees are not permitted to exceed the anticipated reasonable costs of the municipality to enforce the Building Code Act.

The current building fee schedule has not been reviewed since 2019, and the cost of living and inflation have significantly increased since that time. In discussion with the Chief Building Official and a comparison of neighbouring municipality's building fee schedule, it was determined that the municipal building fee schedule should be reviewed and increased. A comparison of building permit fees from neighbouring municipalities is shown below. Please note that the Town of Deep River also has a development fee schedule in addition to the building permit fee schedule.

Fee Schedule	HCM	DEEP RIVER	LAURENTIAN HILLS
Residential - New construction	0.45/ft ²	1.01/ft ² MIN \$45	\$500 plus \$0.74/ft ² over \$20 000 value
Residential - additions/ repairs/ renovations	0.45/ft ²	1.01/ft ² MIN \$45	\$150 MIN or \$1.02/ft ² over \$5000 value
Residential - Wood Shed	\$30		
Residential - Accessory Buildings	0.22/ft ²	0.24/ft ² MIN \$45	1.02/ft ²
Residential Decks	\$30	\$45	1.02/ft ²
Roof	\$30	\$45	

Commercial new build	0.60/ft ²	1.05/ft ² MIN \$225	\$150 MIN plus 0.37/ft ²
Commercial accessory	0.55/ft ²	1.05/ft ² MIN \$225	
Demolition permit	\$40	\$60	\$50
Septic Class 1			
Septic Class 2	\$150		\$300
Septic Class 3	\$150		\$300
Septic Class 4	\$300	\$240	\$400
Zoning	\$40	\$40	\$50
Change of Use		\$60	

From the Ontario Building Code Act (OBCA):

1.9.1.2. Change of Fees

(1) Before passing a by-law or resolution or making a regulation under clause 7 (1) (c) of the Act to introduce or change a fee imposed for applications for a permit, for the issuance of a permit or for a maintenance inspection, a principal authority shall,

- (a) hold the public meeting required under subsection 7 (6) of the Act,
- (b) ensure that a minimum of 21 days notice of the public meeting is given in accordance with Clause (c), including giving 21 days notice to every person and organization that has, within five years before the day of the public meeting, requested that the principal authority provide the person or organization with such notice and has provided an address for the notice,
- (c) ensure that the notice under Clause (b),
 - (i) sets out the intention of the principal authority to pass the by-law or resolution or make a regulation under section 7 of the Act and whether the by-law, resolution or regulation would impose any fee that was not in effect on the day the notice is given or would change any fee that was in force on the day the notice is given,
 - (ii) is sent by regular mail to the last address provided by the person or organization that requested the notice in accordance with Clause (b), and
 - (iii) sets out the information described in Clause (d) or states that the information will be made available at no cost to any member of the public upon request, and
- (d) make the following information available to the public:
 - (i) an estimate of the costs of administering and enforcing the Act by the principal authority,
 - (ii) the amount of the fee or of the change to the existing fee, and
 - (iii) the rationale for imposing or changing the fee.

The purpose of this report is to determine if Council would like to proceed with increasing the building fee schedule and if so, at what rate. If Council does wish to proceed, a date for public consultation would need to be set. The Chief Building Official is available to attend the Regular Meeting of Council on June 15th, 2023 if Council would like to have public consultation included on the agenda in consideration of increasing the building fee schedule. A notice will be distributed meeting the requirements for public notice set out under the Ontario Building Code Act.

Once public consultation is completed, Council would meet again and make a final decision in updating the fee schedule considering the public input received.

The proposed increase in building fee schedule is as follows:

Permit Type	Current	Proposed
Residential - New Construction	0.45/ft ²	0.70/ft ²

Residential – Additions, Repairs and Renovations	0.45/ft ²	0.70/ft ²
Residential - Wood Shed	\$30	\$30
Minor Alterations, Repairs and Renovations	\$20	\$30
Residential - Accessory Buildings	0.22/ft ²	0.45/ft ²
Residential Decks	\$30	\$30
Roof	\$30	\$30
Commercial – New Construction	0.60/ft ²	0.80/ft ²
Commercial - Accessory	0.55/ft ²	0.80/ft ²
Demolition Permit	\$40	\$50
Septic Class 1		
Septic Class 2	\$150	\$150
Septic Class 3	\$150	\$150
Septic Class 4	\$300	\$300
Renewal of Lapsed Permit	\$25	\$50
Change of Use	\$100	\$150
Deferral or Revocation of Permit	\$10-30	\$20

Financial Considerations/Budget Impact:

In 2022, permit fees amounted to \$4452.62. The cost of providing building permit and inspection services was approximately \$11,705. This results in an approximate 38% recovery rate. The cost to provide building permit and inspection services is expected to increase in 2023 by 20% at a minimum. These financial considerations would be one justification for increasing the fee schedule as required under the OBCA.

Report #23/05/18/1303- Annual Trailer Licencing for Campgrounds									

Subject: Annual Trailer Licencing Requirement for Private Campgrounds

Recommendation: That Council provide direction to Staff concerning implementing an annual trailer licence for private campgrounds.

Resolution:

Resolution No.: 23/05/18/004

Moved by Councillor _____ and seconded by Councillor _____

WHEREAS Council received a request to consider implementing a \$200 annual trailer licence fee for private campgrounds in the municipality;

THEREFORE BE IT RESOLVED THAT Council of the United Townships of Head, Clara and Maria does hereby direct Staff to research implementation of an annual trailer licence fee for private campgrounds and bring a report back to Council in August 2023.

Resolution No.: 23/05/18/005

Moved by Councillor _____ and seconded by Councillor _____

WHEREAS Council received a request to consider immediately doubling the bag tag fee from trailer sites and initiate a review of the cost of operating the disposal sites;

THEREFORE BE IT RESOLVED THAT Council of the United Townships of Head, Clara and Maria does hereby direct Staff to double the bag tag fee effective _____ and directs Staff to initiate a review of the cost to operate the disposal sites and bring a report back to Council in August 2023.

Background/Executive Summary:

Council received correspondence from Mr. Villeneuve at the regular meeting of March 23, 2023, requesting: That Council consider implementing a \$200 annual trailer licence fee for each of the sites on the three private campgrounds in time for the 2023 season; and

That Council consider immediately doubling the one dollar per bag fee for garbage from the trailer sites and initiate a review of the cost of operating the landfill and whether further increases are warranted.

Council did not make any decisions or provide further direction to Staff regarding the request at the March meeting.

Council reviewed correspondence from Mr. Allen at the regular meeting of April 20, 2023.

Mr. Villeneuve provided a letter to the Clerk dated April 21, 2023. All members of Council and Mr. Allen were copied in the email. It was not included as correspondence for this meeting. If Council directs Staff to further research this request and implications of implementing annual trailer licencing for private campgrounds, all factual and relevant information will be provided in a subsequent report to Council.

It should be noted that Section 3.2 of the current Trailer Licencing By-law 2021-47 states that the annual trailer licencing fees do not apply to camping establishments. If Council would like to proceed with directing Staff to complete research on trailer licencing and/or user fees for private campgrounds, it is Staff recommendation that a report not be due until August to allow sufficient time for research.

The current Waste Management By-law 2022-12 was reviewed in May of 2022 and does not have fees specific to businesses. Previous research of local waste management fee schedules did not show separate fees for residential versus business classes and in particular, private campground fees. If Council would like to proceed with updating the current waste management fee schedule, consideration will need to be given as to a

business class being created in the fee schedules versus a rate that only applies to one type of business in the municipality.

Financial Considerations/Budget Impact:

Implementing a trailer licence or user fee system for private campgrounds would be an additional revenue stream for the municipality. Increasing the waste fees for businesses is also an addition revenue stream for the municipality.

Though these two fee systems have the potential to create increased revenues for the municipality, Council should also consider the extent to which it wishes to support local businesses; whether that is through economic development partnerships, providing grant funding or reducing/mitigating additional user fees.

Options:

Direct Staff to research implementing a trailer licencing fee for private campgrounds;

Direct Staff to research implementing a user fee for private campgrounds;

Do not pass Resolution No.: 23/05/18/004 directing Staff to complete further research.

Direct Staff to update the Waste Management Fee Schedule and bring a report to Council in August of 2023.

Do not pass Resolution No.: 23/05/18/005 directing Staff to update the waste fee schedule.

CKW-Inquest-Verdict-Recommendations-SIGNED_Redacted.pdf;

Hello Crystal,

Based on the 86 Recommendations from the CKW Inquest, I would like to discuss the following with Council at the next meeting. Please include on the agenda.

There are 3 requests I think we should consider and implement.

- 1. Formally declare intimate partner violence as an epidemic.**
- 10. Encourage that IPV be integrated into every municipality's community safety and well-being plan.**
- 49. Start grassroots "Safe Spaces" program that businesses can participate in where survivors can feel safe and ask for information (i.e. pamphlets and handouts from women's shelters, VWAP and men's programs).**
 - a. This could be an area where information is available for our community.**

Thank you,

PURPOSE

To provide a policy that prescribes the form, manner and time that public notice shall be given.

POLICY

The Townships of Head, Clara and Maria has developed the provision of notice policy pursuant to Section 270 (1)(4) of the Municipal Act, 2001, as amended.

GUIDELINES

1. Definitions

“Act” means the Municipal Act 2001, 2001, as amended;

“Clerk” means the Clerk of the Corporation of the United Townships of Head, Clara & Maria, or designate;

"Electronic" includes created, recorded, transmitted or stored in digital form or in other intangible form by electronic, magnetic or optical means or by any other means that has capabilities for creation, recording, transmission or storage similar to those means and "electronically" has a corresponding meaning;

“Publication” means a document that is printed in sheet form, published at regular intervals of a week or less and circulated to the general public, and consists primarily of news of current events of general interest and may be sold to the public and regular subscribers;

“Notice to the Public” or “Public Notice” shall mean notice given to the public generally, but does not include notice given only to specified persons;

“Notice by mail” shall mean notice given to a specified person or persons by pre-paid first class mail and shall be deemed to be completed on the day that the mailing of all required notices is completed.

“Post office box locations” means wherever a large number of Canada Post boxes are located in one area within the municipality.

“Township Hall” means the Township Hall or Community Centre of the United Townships of Head, Clara & Maria at 15 Township Hall Road, Stonecliffe.

“Municipality” shall mean the Corporation of the United Townships of Head, Clara & Maria.

2. Where the municipality is required to give public notice pursuant to a provision of the Municipal Act, 2001, or where Council deems it appropriate to prescribe notice, notice shall be given in a form and manner indicated as shown in Schedule "A" attached.

3. Notwithstanding the provision of this By-Law to the contrary, Section 2 shall not be applicable where:
the Municipal Act, or another Act or regulation prescribe specific notice requirements, or the Municipal Council directs that public notice be given in the manner different from the public notice provision of Section 2.

4. Public notice given under the provision of this By-Law shall contain the following information:
 - a general description of the matter;
 - where the matter relates to a defined location, sufficient particulars of the location such as a key map, municipal address or legal description; and
 - the date, time and location of the Council meeting at which the matter will be considered; and
 - the instructions for obtaining additional information.

5. If a matter is deferred at a Council meeting, or if a matter is considered at a subsequent Council meeting, no additional public notice shall be required, except where the Municipal Act or other Provincial Statute provides otherwise, or if the Municipal Council directs that additional public notice be given.

6. The public notice requirements of this By-Law are minimum requirements and Council or the Clerk are hereby authorized to provide additional public notice if reasonable and necessary in the specific circumstances.

7. The public notice requirements of this By-Law may be waived by the Council in consultation with the Clerk where a matter is considered to be of an urgent or emergent nature as defined under the Municipal Emergency Management Plan as "A situation or an impending situation that constitutes a danger of major proportions that could result in serious harm to persons or substantial damage to property and that is caused by the forces of nature, a disease or other health risk, an accident or an act whether intentional or otherwise" and best efforts shall be made to provide as much notice as is reasonable under the circumstances.
