Dear Mayor Grills,

Thank you for assisting in getting the word out.

As discussed, the North Renfrew Long-Term Care Services Inc. is currently seeking individuals to join their Board of Directors.

North Renfrew Long-Term Care Centre

The North Renfrew Long-Term Care Services Inc. is actively seeking individuals to join the Board of Directors.

The Board of Directors are looking for a community-minded individual who has an interest in the provision of quality services for seniors, within the North Renfrew communities. The Board of Directors is responsible for the oversight and governance of the long-term care home, supportive care apartments and community support services operated by the Centre.

Interested individuals should contact the Centre at 613-584-1900 or nrltc@nrltc.ca for more information.

The new volunteer Board member:

- must be a resident of the Town of Deep River, Laurentian Hills, or Head Clara & Maria
- is interested in providing leadership in the area of long-term care and services for seniors
- will support the Mission, Vision and Values of the Centre as a model of quality care for seniors and as a "Home of Choice"

At the present time the Board meets, via Zoom, once per month, with no meetings being held in the months of August and December.

I have served on the Board for a number of years, therefore I, along with 3 others, will be stepping down to make room for new and fresh energy to join the Board. I am proud to say that given the opportunity I would happily serve again, in the future. Interested individuals may contact the phone number above for more details.

The North Renfrew Long-Term Care Centre (NRLTCC) is like no other as are the staff who manage the Centre and work there. Because of the sincere compassion and care given at the NRLTCC, the staff and residents are truly like family to each other. I urge people to check out the NRLTCC website and FB page to witness the wonderful and unique activities provided to the residents. It should also be noted that the NRLTCC and the Deep River and District Hospital work together to serve the needs of Deep River and surrounding communities.

To quote the by-laws:

” Board membership shall be Corporation members and include:

Seven elected members representing the:

- Consumers and Corporation members-at-large from the Town of Deep River and the two surrounding municipalities (Townships of Head, Clara & Maria, and the Town of Laurentian Hills).”

Thank you again, for sharing and caring.

Sincerely,

Melanie Theil
