Dear: Honourable Doug Ford

RE: Public Sector Salary Disclosure

The Council of the Corporation of Tay Valley Township at its meeting held on September 24th, 2024 adopted the following resolution:

RESOLUTION #C-2024-09-16

MOVED BY: Greg Hallam
SECONDED BY: Wayne Baker

“THAT, the Council of the Corporation of Tay Valley Township support the Township of Stirling-Rawdon’s resolution regarding Public Sector Salary Disclosure;

THAT, the Public Sector Salary Disclosure Act be updated to reflect the inflation rates since 1996;

THAT, the Act be further updated so that the inflation rate is applied each year to the requirement to report public salaries;

AND THAT, this resolution be sent to the Province of Ontario Premier's Office, the Ministry of Municipal Affairs and Housing, the Association of Municipalities of Ontario and all Ontario Municipalities.”

ADOPTED

Resolution

Provincial decision regarding alcohol sales in convenience stores and locations that sell fuel to drivers, and the development of a comprehensive provincial alcohol strategy

Resolution No. 2024-332

Moved by: Councillor Whalen
Seconded by: Councillor Wilson

Whereas excessive consumption of alcohol has a negative impact on many communities because of detrimental health effects, road safety, and other harms; and

Whereas the number of cases of individuals driving under the influence are increasing in Ontario, and the Timiskaming District has recently seen its highest rate ever for impaired driving infractions with 10 in April of 2024; and

Whereas jurisdictions with broader access to alcohol have higher rates of driving under the influence and crashes associated with alcohol; and

Whereas alcohol causes at least seven types of cancer and is a risk factor for, disease, disability and premature death, and is a direct cause of 4,300 deaths and 195,000 emergency department visits per year in Ontario; and

Whereas alcohol related emergency department visits increased 18 percent after the introduction of alcohol sales in grocery stores in Ontario; and

Whereas 35 percent of youth in grades 10 and 11 in the Timiskaming District have indicated that they consumed alcohol at 13 years or younger; and

Whereas 49 percent of youth in grades 10 and 11 in the Timiskaming District have been drunk at least once in their life; and

Whereas alcohol related harms cost the Ontario economy 7 billion dollars a year; and

Whereas alcohol is a factor in many domestic, sexual and physical assaults in Ontario; and

Whereas most tax revenue generated by the sale of alcohol goes to the province yet the costs and harms that are alcohol related are borne by the municipalities in the form of policing and social services and public health costs.

Therefore be it resolved that Council for the City of Temiskaming Shores requests the Government of Ontario reverse their decision to allow alcohol to be sold in more locations and implement the following recommendations:

1. Permit municipalities to opt out of retail alcohol expansion;
2. Grant municipalities the powers to use zoning to determine where new alcohol retail locations are acceptable;
3. Not permit alcohol sales within 150 m of schools, daycares, or substance use facilities;
4. Prohibit the sale of Alcohol at gas stations;
5. Require health warning labels on all alcohol containers;
6. Dedicate a portion of provincial alcohol revenue to addressing alcohol related harms; and
7. Develop and implement a comprehensive provincial alcohol strategy, in partnership with municipalities, that prioritizes health and safety and considers the costs associated with alcohol consumption.

Further that a copy of this resolution be provided to the Honourable Doug Ford, Premier of Ontario; the Honourable Sylvia Jones, Deputy Premier and Minister of Health; the Honourable Doug Downey, Attorney General; the Honourable Prabmeet Sarkaria, Minister of Transportation; John Vanthof, MPP Timiskaming Cochrane; AMO; FONOM; ROMA; Temiskaming Municipal Association (TMA); Timiskaming Health Unit (Planet Youth Timiskaming); Temiskaming Shores OPP Detachment Board; and all Ontario Municipalities.

Dear Mayor/Reeve/CAO/Treasurer,

Please find attached the OPP municipal policing 2025 Annual Billing Statement package.

This year's billing package includes a statement for the 2023 year-end reconciliation. The final cost adjustment calculated as a result of the 2023 annual reconciliation has been included as an adjustment to the amount being billed to the municipality during the 2025 calendar year.

The final reconciliation of the 2025 annual costs will be included in the 2027 Annual Billing Statement.

For more detailed information on the 2025 Annual Billing Statement package please refer to the resource material available on the internet, www.opp.ca/billingmodel. Further, the Municipal Policing Bureau will be hosting a webinar information session in October/November. An e-mail invitation will be forwarded to the municipality advising of the session date.

If you have questions about the Annual Billing Statement please e-mail OPP.MPB.Financial.Services.Unit@OPP.ca.

Yours truly,

OPP 2025 Annual Billing Statement

Estimated costs for the period January 1 to December 31, 2025

Notes to Annual Billing Statement

- 1) **Municipal Base Services and Calls for Service Costs** - The costs allocated to municipalities are determined based on the costs assigned to detachment staff performing municipal policing activities across the province. A statistical analysis of activity in detachments is used to determine the municipal policing workload allocation of all detachment-based staff as well as the allocation of the municipal workload between base services and calls for service activity. For 2025 billing purposes the allocation of the municipal workload in detachments has been calculated to be 50.7 % Base Services and 49.3 % Calls for Service. The total 2025 Base Services and Calls for Service cost calculation is detailed on the Base Services and Calls for Service Cost Summary included in the municipal billing package.
- 2) **Base Services** - The cost to each municipality is determined by the number of properties in the municipality and the standard province-wide average cost per property of \$189.44 estimated for 2025. The number of municipal properties is determined based on MPAC data. The calculation of the standard province-wide base cost per property is detailed on Base Services and Calls for Service Cost Summary included in the municipal billing package.
- 3) **Calls for Service** - The municipality's Calls for Service cost is a proportionate share of the total cost of municipal calls for service costs calculated for the province. A municipality's proportionate share of the costs is based on weighted time standards applied to the historical billable calls for service. The municipality's total weighted time is calculated as a percentage of the total of all municipalities.
- 4) **Overtime** - Municipalities are billed for overtime resulting from occurrences in their geographic area and a portion of overtime that is not linked specifically to a municipality, such as training. Municipalities are not charged for overtime identified as a provincial responsibility. The overtime activity for the calendar years 2020, 2021, 2022, and 2023 has been analyzed and averaged to estimate the 2025 costs. The costs incorporate the estimated 2025 salary rates and a discount to reflect overtime paid as time in lieu. The overtime costs incurred in servicing detachments for shift shortages have been allocated on a per property basis based on straight time. Please be advised that these costs will be reconciled to actual 2025 hours and salary rates and included in the 2027 Annual Billing Statement.
- 5) **Court Security and Prisoner Transportation (CSPT)** - Municipalities with court security responsibilities in local courthouses are billed court security costs based on the cost of the staff required to provide designated court security activities. Prisoner transportation costs are charged to all municipalities based on the standard province-wide per property cost. The 2025 costs have been estimated based on the 2023 activity levels. These costs will be reconciled to the actual cost of service required in 2025.

There was no information available about the status of 2025 Court Security Prisoner Transportation Grant Program at the time of the Annual Billing Statement preparation.
- 6) **Year-end Adjustment** - The 2023 adjustment accounts for the difference between the amount billed based on the estimated cost in the Annual Billing Statement and the reconciled cost in the Year-end Summary. The most significant year-end adjustments are resulting from the cost of actual versus estimated municipal requirements for overtime, contract enhancements and court security.

OPP 2025 Estimated Base Services and Calls for Service Cost Summary

Estimated Costs for the period January 1, 2025 to December 31, 2025

Notes:

Total Base Services and Calls for Service Costs are based on the cost of salary, benefit, support and other direct operating expenses for staff providing policing services to municipalities. Staff is measured in full-time equivalent (FTE) units and the costs per FTE are described in the notes below.

- 1) Full-time equivalents (FTEs) are based on average municipal detachment staffing levels for the years 2020 through 2023. Contract enhancements, court security, prisoner transportation and cleaning staff are excluded.

The equivalent of 85.71 FTEs with a cost of \$17,779,996 has been excluded from municipal costs to reflect the average municipal detachment FTEs required for provincially-mandated responsibilities eligible for Provincial Service Usage credit.

Salary rates are based on weighted average rates for municipal detachment staff by rank, level, and classification. The 2025 salaries incorporate the 2025 general salary rate increase set in the 2023 to 2026 OPPA Uniform and Civilian Agreements (uniform and civilian staff - 4.75% in 2023, 4.50% in 2024 and 2.75% in 2025.)

The benefit rates are estimated based on the most recent rates set by the Treasury Board Secretariat, (2024-25). Statutory Holiday Payouts, Shift Premiums, and Benefit costs are subject to reconciliation.

Two new premiums were added in these new agreements: a 3% Frontline Patrol Premium (which applies to Constables and Sergeants in Frontline roles only) and a 3% Second-In-Command Premium (which applies to members when temporarily backfilling a short term platoon command position.) An allowance of \$2,101 per Constable FTE and \$3,330 per Sergeant FTE for the Frontline Patrol Premium and \$76 per Constable FTE for the Second-In-Command premium have been included in the salary rates for Constables and Sergeants. These allowances are subject to reconciliation.

FTEs have been apportioned between Base Services and Calls for Service costs based on the current ratio, 50.7% Base Services : 49.3% Calls for Service.

- 2) Support Staff Costs and Other Direct Operating Expenses for uniform FTEs are calculated on a per FTE basis as per rates set in the 2024 Municipal Policing Cost-Recovery Formula.

October 2024

Dear Friends,

Voluntarism is often described as the heartbeat of our communities. Recognizing volunteers for their selfless efforts formally acknowledges their essential role in addressing needs, building trust, and creating stronger communities across Ontario.

The province of Ontario recognizes the contributions of our volunteers in a number of impactful ways. It is my pleasure to invite you to consider nominating volunteers in your community for one or more of our volunteer recognition programs.

[Ontario Volunteer Service Awards](#)

Deadline: November 15, 2024

Organizations can nominate their volunteers for an [Ontario Volunteer Service Award](#) to recognize their continuous service ranging from five to 65 years. Youth (under 24 years old) can be recognized for two or more years of continuous service.

[June Callwood Outstanding Achievement Award for Voluntarism](#)

Deadline: December 15, 2024

Individuals and groups are recognized for outstanding commitment to volunteering and service to their community.

Nominations are reviewed by an independent selection committee who are appointed by the Minister of Citizenship and Multiculturalism.

Recipients are presented with this award during Volunteer Service Award ceremonies in their community.

To submit a nomination online, please [register for the Ontario Honours and Awards Portal](#).

All nominations must be submitted electronically through the Ontario Honours and Awards Portal. Paper copies will not be accepted.

The Ministry will provide more information about the ceremonies to recognize these volunteers in early 2025.

If you have questions about the Ontario Volunteer Service Awards or the June Callwood Outstanding Achievement Awards, or how to submit a nomination online, please contact the Ontario Honours and Awards Secretariat at OntarioVolunteerServiceAwards@ontario.ca.

Dear Minister Khanjin:

Ontario Deposit Return Program

I hope this letter finds you well. I am writing to formally address the recent discussions surrounding the Ontario Deposit Return Program, particularly regarding our community residents asking us about the recycling of nonalcoholic beverage plastics.

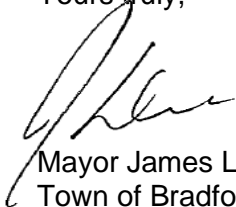

Whereas the Ontario Deposit Return Program has successfully incentivized the recycling of alcoholic beverage containers, resulting in the removal of over 204,000 tonnes of greenhouse gas emissions, we recognize the potential for similar success with nonalcoholic beverages.

The Ministry of the Environment, Conservation and Parks highlighted in their June 2023 letter that they are considering the adoption of a deposit-and-return system for nonalcoholic beverages. This initiative presents a unique opportunity to further promote recycling, reduce litter, and encourage sustainable practices among consumers.

Therefore, I am proud to announce that our Council endorses the expansion of the Ontario Deposit Return Program to include nonalcoholic beverage containers. We believe that this expansion will not only enhance environmental stewardship but also foster a culture of sustainability within our community.

We encourage all stakeholders to support this initiative and work collaboratively towards its implementation. Together, we can make a significant impact on our environment and set a positive example for future generations.

Yours truly,

Mayor James Leduc

The Right Honourable Justin Trudeau, Prime Minister of Canada

Dear Prime Minister:

Re: Solve the Crisis

Please be advised that the Council of the Regional Municipality of Waterloo at their regular meeting held on September 25, 2024, approved the following motion:

Whereas there is a humanitarian crisis in cities, large and small, urban and rural, across Ontario. We need immediate action at all levels of government, starting with the Province; and

Whereas the homelessness, mental health and addictions crisis continues to grow with 3432 drug related deaths in Ontario in 2023 as well as with an estimated 234,000 Ontarians experiencing homelessness and over 1400 homeless encampments across Ontario communities in 2023; and

Whereas the province has provided additional funding for mental health, addictions and homelessness programs, including the recently announced Homelessness and Addiction Recovery Treatment (HART) Hubs, it does not adequately address the growing crisis and the financial and social impact on municipalities and regions across the province; and

Whereas municipalities and regions are stepping up and working with community partners to put in place community-specific solutions to address this crisis, but municipalities and regions lack the expertise, capacity, or resources to address these increasingly complex health care and housing issues alone; and

Whereas this is primarily a health issue that falls under provincial jurisdiction and municipalities and regions should not be using the property tax base to fund these programs; and

Whereas there is no provincial Minister focused on this crisis leading to unanswered questions that span over a dozen ministries, and a lack of support to manage the increasing needs of those who are unhoused.

Now Therefore be it resolved that the Region of Waterloo supports the Solve the Crisis Campaign;

And calls on provincial and federal governments to commit to immediate action to solve the Humanitarian Crisis that Ontario is facing as the numbers of unhoused individuals and those suffering with mental health & addictions grows exponentially;

AND that the province officially makes Homelessness a Health Priority;

AND appoints a responsible Minister and Ministry with the appropriate funding and powers as a single point of contact to address the full spectrum of housing needs as well as mental health, addictions and wrap around supports;

AND request that the provincial government strike a task force with broad sector representatives including municipalities, regions, healthcare, first responders, community services, the business community and the tourism industry to develop a *Made in Ontario Action Plan*;

AND that this provincial task force reviews current programs developed by municipalities, regions and community partners that have proven successful in our communities, to ensure that solutions can be implemented quickly and effectively to tackle this crisis.

AND provides the adequate, sufficient and sustainable funding to ensure that municipalities have the tools and resources to support individuals suffering with mental health and addictions, including unhoused people and those from vulnerable populations that may be disproportionately impacted;

And that this Council calls on the residents across the Region of Waterloo to join us in appealing to the provincial and federal governments for support by visiting SolveTheCrisis.ca and showing your support;

And further that a copy of this motion be sent to:

Provincial Planning Statement to Come into Force in October 2024

On August 20, 2024, the Ontario Government [announced](#) the Provincial Planning Statement (PPS), 2024. The 2024 PPS will replace the Provincial Policy Statement, 2020 and the Growth Plan for the Greater Golden Horseshoe. The 2024 PPS is expected to come into force on October 20, 2024, although the Province is currently considering whether it should implement a transition period wherein the 2020 PPS would continue to apply to some planning decisions.

As a result of these changes, land use planning decisions made on October 20, 2024 or following must be consistent with the 2024 PPS. Planning authorities should be sure to familiarize themselves with the new document and be aware of the changes therein.

Changes include a simplified and more flexible process for expanding settlement boundaries, clarifications around “affordable” housing, and requirements to establish minimum targets for intensification and development within built-up areas.

Municipality Held Liable for Structure Built on Wrong Property

***Armstrong, et al. v Penny, et al.*, [2023 ONSC 2843](#)**

The Ontario Superior Court of Justice recently held a municipality liable for failing to prevent a homeowner from building on their neighbour’s property.

The homeowner mistakenly built a garage on their neighbour’s property. The neighbour sued the homeowner for trespass, and the homeowner in turn brought a claim in negligence against the City of Kawartha Lakes for failing to prevent her from building outside her property lines. The court agreed the City was negligent for failing to notice that the garage was built in the wrong location.

An important part of the court’s reasons was that the City’s Building By-Law required the homeowner to submit a survey along with her application. The City failed to enforce this requirement and, during multiple building inspections, failed to notice that the building was being constructed in the wrong location.

In rejecting the argument that it was the homeowner’s sole responsibility to ensure the garage was correctly sited, the court wrote: “a reasonable municipality should act in a timely and diligent fashion so as not to allow a house to be built on the wrong property... ensuring that a structure is built on the correct property is one of the most basic required functions of the municipality. Surely, this is not asking too much.”

Following this decision, municipalities should ensure that their review of planning applications and building permit applications includes reasonable steps to confirm the location of the proposed development. During inspections, building inspectors should make reasonable efforts to confirm construction is in accordance with the approved plans. And where a municipal by-law or policy says that a survey will be required, the municipality should ensure it enforces this requirement.

It Pays to Enforce Municipal By – Laws

Metro Taxi Ltd. et al. v. City of Ottawa, [2024 ONSC 2725 \(CanLII\)](#)

A recent Ontario Superior Court of Justice decision demonstrates the value in enforcing municipal bylaws. Metro Taxi Ltd., an Ottawa based taxi company, was the representative Plaintiff in a class action against the City of Ottawa for compensation for losses suffered by taxi businesses following the entry of Uber in 2014.

The Plaintiffs alleged that the City of Ottawa was negligent in enforcing its 2012 By-law which addressed the licensing, regulating and governing of taxis by allowing Uber drivers to operate without licenses from 2014 to 2016. In 2016, a By-law was passed governing vehicles-for-hire.

The Court determined that the City was negligent in enforcing the 2012 By-law. Specifically, the Court found that:

- Between October 3, 2014, and September 30, 2016, no charges were laid against Uber for dispatching a taxicab within the regulated area without a valid taxicab broker license.
- The City did not issue an order against Uber under s. 444 of the Municipal Act, 2001
- Between October 3, 2014, and September 30, 2016, the City of Ottawa did not seek an injunction against Uber drivers or Uber pursuant to s. 440 of the Municipal Act.

According to the Court, the City of Ottawa failed to plan for Uber's inevitable entrance to the market and inadequately enforced its 2012 bylaw against Uber. The determination of damages is still to come. The main takeaway for municipalities is that it pays to enforce By-laws. As well as having a deterrent effect, municipal enforcement may protect against future liability in negligence.

Significant Fines Imposed For Fire Code Breaches

Cunningham Swan recently assisted a municipality in obtaining penalties of more than \$40,000 against a corporate landlord for breaches of the Fire Code and *Fire Protection and Prevention Act*.

The corporation owned a large complex which it leased to commercial and residential tenants. A fire broke out in a commercial laboratory, believed to be caused by the spontaneous combustion of fuels. During the emergency response, firefighters encountered multiple Fire Code breaches including non-functioning fire alarms, fire hydrants disconnected from their water supply, and a lack of second exits

from a residential floor. The corporation was also charged with failing to prevent the commercial tenant from engaging in a hazardous activity, and for later failing to comply with Fire Code orders.

At sentencing, the court took into account that the corporation had accepted responsibility by pleading guilty and had spent significant funds bringing the building into compliance, but concluded that a significant penalty was necessary to deter other landlords from shirking their duties under the Fire Code. The court accordingly imposed the penalties recommended by the prosecution, which totaled \$33,000, plus victim fine surcharges of approximately \$8,000.

GTA Strategies Launches Annual Heritage Month Campaign for Christian Music Festival

SCARBOROUGH – Over the past several months, business and government relations firm GTA Strategies has been spearheading a campaign on behalf of Christian Music Festival, a non-profit community outreach organization, to have the month of December recognized across Canada as “Christian Heritage Month”. The campaign has garnered several thousand signatures from across the country since its inception, and nearly a dozen municipalities have issued proclamations in support of the project.

"Canada's strength lies in its vibrant mosaic of cultures, where every community's contribution is valued," said Christian Music Festival CEO Molly Banerjei. "Declaring December as "Christian Heritage Month" honours not only Christianity, but also acknowledges the diverse faiths and traditions that shape our nation's rich cultural fabric – it's a reflection of Canada's commitment to inclusivity and unity."

In addition to the municipalities that have proclaimed December as “Christian Heritage Month”, there is currently a motion in the House of Commons that would grant the campaign Federal approval, and the Conservative Party of Canada is in support of Christian Music Festival's goal.

“Our organization has been working with Christian Music Festival for several years now, and we couldn't be prouder of the momentum that this project has gained,” commented GTA Strategies principal Jeremy Beamer. “This is a campaign that is reaching people from across the country, and having the Federal government's support would be a crowning achievement.”

Good Roads

Wednesday, October 09, 2024

To: Township of Head, Clara & Maria Head of Council and Council Members

Sent via email to: clerk@headclaramaria.ca

Subject: Establishment of an Ontario Rural Road Safety Program

Too many Ontarians are being seriously injured or killed on our roads.

In 2023, there were 616 people killed and 36,090 people injured. The number of fatalities is up nearly 20% in the last ten years.

In 2021, the most recent year of complete data from MTO's *Ontario Road Safety Annual Report* (ORSAR), there were 561 fatalities – 426 of which occurred on municipal roads. While rural Ontario only represents 17% of the province's population, 55% of these deaths occurred on rural roads. By any measure, Ontario's rural roads are disproportionately more dangerous.

At the same time, municipal insurance premiums continue to increase. With no plausible reform being considered for joint and several liability, municipalities need to find innovative means for managing risk, particularly on their roadways,

To deal with this crisis, Good Roads has designed a multifaceted rural road safety program and have been in discussions with the Ministry of Transportation to fund it. The program would target a municipality's most dangerous roads, perform road safety audits, and install modern safety infrastructure that prevents serious injuries and save lives. This program is designed to be cost effective while also providing rural municipalities with a direct means for addressing risk associated with their roadways.

Good Roads has proposed leading a five-year \$183 million program that leverages our 131 years of municipal road expertise and our industry partnerships to quickly put in place the solutions that will address some of Ontario's most dangerous roads.

Good Roads is seeking support to address these preventable tragedies.

If the Township of Head, Clara & Maria would be interested in pursuing this, a Council resolution similar to the example below should be adopted and sent to the Premier and the Minister of Transportation:

WHEREAS official statistics from the Government of Ontario confirm that rural roads are inherently more dangerous than other roads;

AND WHEREAS, despite only having 17% of the population, 55% of the road fatalities occur on rural roads;

AND WHEREAS, rural, northern, and remote municipalities are fiscally strained by maintaining extensive road networks on a smaller tax base;

AND WHEREAS, preventing crashes reduces the burden on Ontario's already strained rural strained health care system;

AND WHEREAS, roadway collisions and associated lawsuits are significant factors in runaway municipal insurance premiums. Preventing crashes can have a significant impact in improving municipal risk profiles;

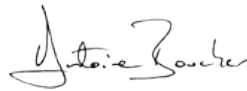

THEREFORE, BE IT RESOLVED THAT the Township of Head, Clara & Maria requests that the Government of Ontario take action to implement the rural road safety program that Good Roads has committed to lead. It will allow Ontario's rural municipalities to make the critical investments needed to reduce the high number of people being killed and seriously injured on Ontario's rural roads; and

FURTHER THAT a copy of this resolution be forwarded to Premier Doug Ford, Hon. Prabmeet Sarkaria, Minister of Transportation, Hon. King Surma, Minister of Infrastructure, Hon. Rob Flack, Minister of Agriculture, Hon. Lisa Thompson, Minister of Rural Affairs, Hon. Trevor Jones, Associate Minister of Emergency Preparedness and Response, and Hon. Sylvia Jones, Minister of Health, and Good Roads; and

FURTHER THAT this resolution be circulated to all municipalities in Ontario requesting their support.

If you have any questions regarding this initiative please contact Thomas Barakat, Good Roads' Manager of Public Policy & Government Relations, at thomas@goodroads.ca at your convenience.

Re: Rideshare Services

Please be advised that Council adopted the following resolution at their Council meeting held on September 23, 2024:

C-2024-226

“Whereas, the Township of Brock faces challenges related to limited access to transportation, and there exists a pressing need for a ride-sharing service to address transportation gaps within our community; and

Whereas Rideshare services are increasingly relied upon by seniors, students, visitors and tourists, and residents looking for safe, affordable, convenient, and reliable ways to travel; and

Whereas, the standardization and consistency of regulations across municipalities, particularly in Ontario, can improve the efficiency and effectiveness of the regulatory framework; and

Whereas, transferring the responsibility of ride-share regulations and licensing to the provincial level would contribute to a more streamlined and uniform governance structure, while eliminating associated red tape and unnecessary administrative costs;

Therefore, Be It Resolved that the Township of Brock Council hereby expresses its support for the migration of ride-share regulations and licensing from the municipal level to the provincial level;

Be It Further Resolved that the Township of Brock Council formally requests the Government of Ontario to initiate the transfer of responsibilities in the interest of creating a more coherent and standardized regulatory framework for ride-sharing services across the province;

Be It Further Resolved that copies of this motion be distributed to the Honourable Doug Ford, Premier of Ontario; the Honourable Prabmeet Sarkaria, Minister of Transportation; the Honourable Paul Calandra, Minister of Municipal Affairs and Housing; the Honourable Laurie Scott, Member of Provincial Parliament for Haliburton-Kawartha Lakes-Brock; the

Association of Municipalities of Ontario (AMO); the Region of Durham; all Durham Region lower-tier municipalities, and all Ontario municipalities.”

If this information is required in an accessible format,
please contact the Township at 705-432-2355.

Should you have any questions or concerns please do not hesitate to contact Clerks@Brock.ca.

Yours truly,

Honourable Doug Ford
Premier of Ontario
Legislative Building
Queen's Park
Toronto ON M7A 1A1

Dear Premier Ford:

This is to advise that City Council, at a meeting held on August 26, 2024, passed the following resolution regarding Renovictions and Safe and Adequate Housing:

"WHEREAS the City of Kitchener adopted the resolution, "Renovictions' - Safe and Adequate Housing" on October 18, 2021, advocating to the Province of Ontario to take additional and meaningful steps to address the ever-increasing problem of Renovictions;

WHEREAS the City of Kitchener is taking meaningful steps to help address the issue with the legislated tools available to municipalities including adopting Inclusionary Zoning By-law and a Rental Replacement By-law;

THEREFORE IT BE RESOLVED that the City of Kitchener supports the resolution adopted by the City of Toronto to urge the Province of Ontario to proclaim and bring into force all regulations pertaining to Bill 97, Helping Homebuyers, Protecting Tenants Act, 2023,

THEREFORE IT FURTHER BE RESOLVED that the City of Kitchener supports the resolution adopted by the City of Toronto to request to the Province of Ontario to amend the Residential Tenancies Act, 2006, and/or related regulations to:

- a. reintroduce vacancy control legislation which ties rents to residential units rather than tenancies;
- b. introduce rent control to cover units first occupied after November 15, 2018;
- c. require landlords of residential units to be responsible for finding temporary accommodation or provide sufficient relocation assistance for their tenants for the duration of the renovations if tenants intend to return post - repair/renovation;

- d. require landlords to obtain a building permit before issuing an N13 notice of termination, provide a copy of the applicable permit to tenants together with any N13 notice of termination, require evidence that the permit was delivered with the N13 notice of termination as part of any L2 application to end a tenancy filed on that basis, and require the approved permit be provided to the LTB as part of any L2 application to end a tenancy filed on the basis of an N13 notice of termination;
- e. provide the same rights and compensation afforded to tenants in buildings with five (5) or more units to those in buildings with less than five (5) units;
- f. increase the required compensation for tenants in no-fault evictions;
- g. remove ex parte eviction orders for breached repayment agreements;
- h. require landlords to attach a plain-language tenants' rights information package to N13 eviction notices;
- i. regulate N11s and buy-out agreements; and
- j. amend Above Guideline Increase (AGI) rules to eliminate the eligibility of capital expenditures that constitute general repair and maintenance of the property; add a new subsection requiring landlords to save 10 percent of rental income to be accessed for capital expenditures; and require landlords to notify tenants of the decrease in advance of the date when rent is required to be reduced as specified in an order permitting an AGI related to eligible capital expenses;

THEREFORE BE IT FURTHER RESOLVED that the City of Kitchener supports the resolution adopted by the City of Toronto to urge to the province of Ontario to make the following operational changes to the Landlord Tenant Tribunal (LTB):

- a. allow tenants the right to in-person LTB hearings to eliminate technological barriers for individuals who do not have access to digital devices or reliable internet connection;
- b. simplify LTB notices with plain language so they are easily understood and ensure all forms include a tracking number that is linked to a public registry; and
- c. establish a provincial rental registry that tracks building ownership, rental rates, AGIs and their expiry dates, and LTB eviction filings and their outcomes; and monitor data on N12 and N13 evictions.

THEREFORE BE IT FINALLY RESOLVED that a copy of this motion be sent to the Association of Municipalities of Ontario, the Premier of Ontario, the Ministry of Municipal Affairs and housing, all other municipalities within Ontario, the Region of Waterloo and other Municipalities for their consideration and possible endorsement.”

Dear Ms. Toope:

I am pleased to share that the governments of Canada and Ontario are investing up to \$1.5 million in our new Agricultural Workforce Equity and Diversity Initiative (AWEDI) to help minority groups start and grow businesses in the agri-food sector.

Funded through the Sustainable Canadian Agricultural Partnership (Sustainable CAP), AWEDI provides grants of up to \$100,000 to support agribusiness ventures led by underrepresented groups, including Indigenous peoples, 2SLGBTQI+ people, persons with disabilities, youth, women or members of French linguistic minority communities.

AWEDI is open to applications from organizations, research bodies, municipalities or Indigenous communities. Successful projects will support underrepresented groups in accessing spaces and equipment to grow or process agri-food products, as well as resources to help with financing.

Applications will open on October 8, 2024, and will be open until December 3, 2024.

Our government is committed to increasing the entrepreneurial diversity of our agricultural sector through our Grow Ontario Strategy. AWEDI will reinforce additional efforts our government has taken to cultivate agri-food talent, while enabling more Ontarians to share in the success of our growing agri-food industry. Should you have any questions about this or any other Ministry programs, please call 1-877-424-1300.

Bonjour,

Je suis heureux de vous annoncer que les gouvernements du Canada et de l'Ontario investissent jusqu'à 1,5 million de dollars dans notre nouvelle Initiative pour l'équité et la diversité dans le secteur agricole (IEDSA) afin d'aider les groupes minoritaires à lancer et à faire croître des entreprises dans le secteur agroalimentaire.

Financée dans le cadre du Partenariat canadien pour une agriculture durable (PCA durable), l'IEDSA offre des subventions pouvant atteindre 100 000 \$ pour appuyer les agroentreprises dirigées par groupes sous-représentés, y compris des Autochtones, des personnes 2SLGBTQI+, des personnes handicapées, des jeunes, des femmes ou des membres de collectivités francophones minoritaires.

L'IEDSA accepte les demandes d'organismes, d'organismes de recherche, de municipalité ou de collectivités autochtones. Les projets retenus appuieront des groupes sous-représentés dans l'accès à des lieux et à du matériel pour cultiver ou transformer des produits agroalimentaires, ainsi qu'à des ressources pour les aider avec le financement.

La période de réception des demandes s'amorce le 8 octobre 2024 et se poursuivra jusqu'au 3 décembre 2024.

Notre gouvernement est déterminé à accroître la diversité entrepreneuriale de notre secteur agricole grâce à notre stratégie Cultiver l'Ontario. L'IEDSA renforcera les efforts additionnels consentis par notre gouvernement pour cultiver le talent agroalimentaire, tout en permettant à une part plus importante de la population ontarienne de participer au succès de notre industrie. Si vous avez des questions concernant ce programme ou d'autres programmes du ministère, veuillez composer le 1 877 424-1300.

Veuillez recevoir mes plus cordiales salutations.

Dear Ms. Toope:

The governments of Canada and Ontario are investing up to \$1.5 million over four years to support international agri-food workers (IAWs) in Ontario through the new IAW Welcoming Communities Initiative. IAWs are key contributors to Ontario's \$51 billion agri-sector, and this investment reflects our commitment to attracting and retaining them. In doing so, we are helping to enhance their quality of life and supporting our goal of making Ontario the destination of choice for IAW's.

The IAW Welcoming Communities Initiative supports not-for-profits and municipalities such as yourself in delivering access to services and an inclusive and welcoming environment for IAWs. Eligible activities include developing translation supports, expanding transportation services, promoting cultural and recreational events, and more.

The IAW Welcoming Communities Initiative intake will open on October 8, 2024, to November 19, 2024. Successful projects can receive up to 75 per cent in cost-shared funding, up to a maximum of \$100,000. Applications demonstrating financial need may be eligible for a higher-level of cost-share funding. The initiative guidelines are available online: www.ontario.ca/page/international-agri-food-workers-welcoming-communities-initiative.

Please contact the Agricultural Information Contact Centre (AICC) by phone at 1-877-424-1300 or by e-mail at ag.info.omafa@ontario.ca if you have any questions.

Bonjour,

Les gouvernements du Canada et de l'Ontario investissent jusqu'à 1,5 million de dollars sur quatre ans afin de soutenir les travailleurs internationaux dans le secteur agroalimentaire (TISA) en Ontario dans le cadre de la nouvelle Initiative pour l'intégration communautaire des TISA. Les TISA sont des contributeurs essentiels au secteur agroalimentaire ontarien d'une valeur de 51 milliards de dollars, et cet investissement illustre notre engagement à les attirer et à les retenir. Ce faisant, nous aidons à améliorer leur qualité de vie et appuyons notre objectif de faire de l'Ontario la destination de choix pour les TISA.

L'Initiative pour l'intégration communautaire des TISA aide les organisations à but non lucratif et les municipalités comme la vôtre à offrir l'accès à des services et un environnement inclusif et accueillant pour les TISA. Les activités admissibles comprennent l'élaboration de soutiens à la traduction, l'élargissement des services de transport, la promotion des événements culturels et récréatifs, et plus encore.

L'appel de proposition aux termes de l'Initiative pour l'intégration communautaire des TISA s'amorcera le 8 octobre 2024 et prendra fin le 19 novembre 2024. Les projets retenus peuvent recevoir jusqu'à 75 pour cent en aide financière à frais partagés, jusqu'à un maximum de 100 000 \$. Les demandes démontrant un besoin financier peuvent être admissibles à une part plus importante d'aide financière à frais partagés. Les lignes directrices de l'initiative sont accessibles en ligne :

Good afternoon,

There are a few updates we wanted to share with you, as well as outline upcoming events this fall/winter.

Amendments to Producer Responsibility Regulations for Tires, Batteries, Electrical and Electronic Equipment, and Hazardous and Special Products: Overall, some proposed changes are positive. For instance, seasonal depots could be designated as permanent Household Hazardous Waste sites, enabling them to receive financial support from PROs. However, certain amendments may negatively impact municipalities, depending on how producers implement the regulations. One concern is the proposed offsetting, which could reduce services for some municipalities, limiting access to various diversion programs for Ontarians. We have reached out to MWA and AMO and they have indicated they are reviewing the proposed amendments and will be submitting comments to the ERO posting. They are developing their position in collaboration with each other, as well as City of Toronto and Regional Public Works Commissioners of Ontario (RPWCO).

W2RO update (attached)

The EBR posting is available [here](#), which includes a summary of the proposed amendments. There is a plain language document outlining the proposed amendments [here](#).

Comments can be submitted through the EBR posting by **October 20**. Alternatively, your comments can be provided to Ravneet Gill at rgill@w2ro.org by Friday, **October 4**.

Updates to Provincial Planning Statement, 2024: The Provincial Planning Statement (PPS), 2024 is a streamlined province-wide land use planning policy framework that replaces both the [Provincial Policy Statement, 2020](#) and [A Place to Grow: Growth Plan for the Greater Golden Horseshoe, 2019](#) while building upon housing-supportive policies from both documents. This policy comes into effect October 20, 2024. As noted by W2RO, the PPS, 2024 now explicitly includes waste management as critical infrastructure. This recognition is a major achievement for the waste, recycling & resource recovery sector and underscores the valuable services that public operators provide on behalf of Ontarians.

Dear Valued Member

We are fast approaching the new year and are looking forward to continued service for you and your employees. As we all know, the last three to four years have been challenging with Covid hitting our communities and families and rising costs due to inflation. We have worked hard in stepping up to meet the ever-changing landscape related to services we offer to everyone. Our addition of virtual counselling services has allowed everyone to continue seeing us through these difficult times.

As with all businesses, we have seen an increase in the cost of rent, office supplies, contract services, photocopying, security, and more. We have worked hard on keeping our costs down and our service standards high.

A large business is deemed as a company that has 10 or more employees and the cost per employee for 2025 will be \$90.00 per employee. This "flat fee" for "face to face" Counselling Services for a year is significantly less than the market rate for similar services which is currently \$160.00 per hour in our geographic area. This still keeps our services to you and your employees at \$1.73 per week or \$0.24 per day. We hope you understand the need for this increase and look forward in servicing you and you employees into the new year. This increase will take effect at the start of your contract automatic renewal date.

RE: Motion from Mayor Lucas Cleveland regarding Support of Involuntary Care for Individuals with Severe Mental Health and Addictions Issues

Please be advised that the Town of Cobourg Council, at its meeting held on September 25, 2024, passed the following resolution:

WHEREAS the Province of British Columbia has announced the creation of highly secure facilities to provide involuntary care for individuals with severe mental health and addictions issues under the Mental Health Act, including dedicated mental health units in correctional centres and regional secure care facilities; and

WHEREAS the Town of Cobourg, along with municipalities across Ontario, are facing growing challenges in addressing the complex needs of individuals with severe mental health and addictions issues, which place a significant strain on local emergency services, healthcare systems, community resources, and public safety; and

WHEREAS individuals experiencing severe mental health and addictions issues often cannot voluntarily seek the care they need, and involuntary care, provided with compassion and appropriate safeguards, can ensure they receive the necessary treatment to help stabilize their condition and improve community safety.

NOW THEREFORE BE IT RESOLVED THAT the Town of Cobourg supports the BC government's approach to providing secure, involuntary care for individuals with severe mental health and addictions challenges, as a compassionate and necessary intervention for those unable to seek help on their own; and

FURTHER THAT the Town of Cobourg urges the Province of Ontario to implement similar measures to ensure that individuals with severe mental health and addictions issues in Ontario have access to secure, involuntary care when necessary; and

The Corporation of the Town of Cobourg

Resolution

FURTHER THAT this motion be forwarded to the Association of Municipalities of Ontario (AMO), the Federation of Canadian Municipalities (FCM), The Premier, Honourable David Piccini, MPP, all other Members of Provincial Parliament and all Ontario municipalities to seek their endorsement and support.

Sincerely,

Re: Vegetation Maintenance Program

I am writing to inform you that Hydro One Networks Inc. (Hydro One) is scheduled to complete right-of-way vegetation maintenance along the transmission corridor on or adjacent to Head-Clara-Maria Township property.

Hydro One regularly monitors the conditions of its transmission corridors and schedules routine vegetation maintenance to identify incompatible vegetation along our rights-of-way, including tree species or brush that can grow tall enough to compromise the safe operation of power. Keeping vegetation, a safe distance from power lines is necessary to ensure minimum clearance requirements established by our regulator, provincial agencies, and our utility partners across North America, to prevent tree related outages and for public safety. Maintaining our assets and infrastructure is vital to providing Ontario with the electricity we all depend on.

Hydro One uses an integrated approach to vegetation management and our forestry technicians assess each right-of-way to determine what work is required in the area. The work in your community will include the removal of non-compatible brush as well as pruning branches away from power lines and removing any dead or hazardous trees that have the potential to interfere with the safe and reliable operation of the power line. In areas where there is a higher density of brush, mechanical equipment may be used.

To ensure our required clearance until the next vegetation maintenance cycle, Garlon RTU (Registration #29334) and/or Navius (Registration #31382) may be selectively applied, where deemed necessary, to control the re-growth of vegetation.

If you have any questions regarding the planned work, please contact Andrew Norminton at 365-323-4687 or by email at Andrew.norminton@hydroone.com or our Forestry Department at 1-888-797-4023 or by emailing Forestry.FBC@HydroOne.com. If you are a tenant, we ask that you forward this letter to the property owner.

Thank you for your co-operation as we complete this important work.

Sincerely,

Andrew Norminton
Forestry Technician
