Moved by Councillor _____ and seconded by Councillor _____

WHEREAS Council has received Report #22/06/21/1602 concerning the recent approval of Bill 109 that requires that the authority to approve site plan control agreements be delegated to municipal staff;

THEREFORE BE IT RESOLVED THAT By-law 2022-17 being a by-law to establish a site plan control area within the municipality and to delegate authority to approve site plan control agreements be read a first, second and third time passed.

Background/Executive Summary:

The Province recently approved Bill 109, the More Homes for Everyone Act, which resulted in several amendments to the Planning Act. One key change is that that site plan control decisions are now mandatory to be made by staff, instead of municipal councils or committees of council. This applies to all site plan applications received on or after July 1st, 2022. The delegation of authority needs to be made to municipal staff, by by-law, and need to be approved by Council before July 1st.
